## Stage 2 - AEFL State Initiative Supervisor

The review and approval or rejection process continues using the steps [above](#) for the **AEFL State Initiative Supervisor**. The **AEFL State Initiative Supervisor** will select the agreement number to review and approve. After the **Agreement** is approved by the **AEFL State Initiative Supervisor**, the **Local Finance Coordinator** can begin submitting invoices.

## Invoice

### Invoice Approval Process

The following roles represent the stages required in CTIMS for the submission of an Agreement.

Stage 1 – AEFL Local Finance Coordinator

Stage 2 – AEFL State Initiative Supervisor

Stage 3 – ODCTE Finance Reviewer

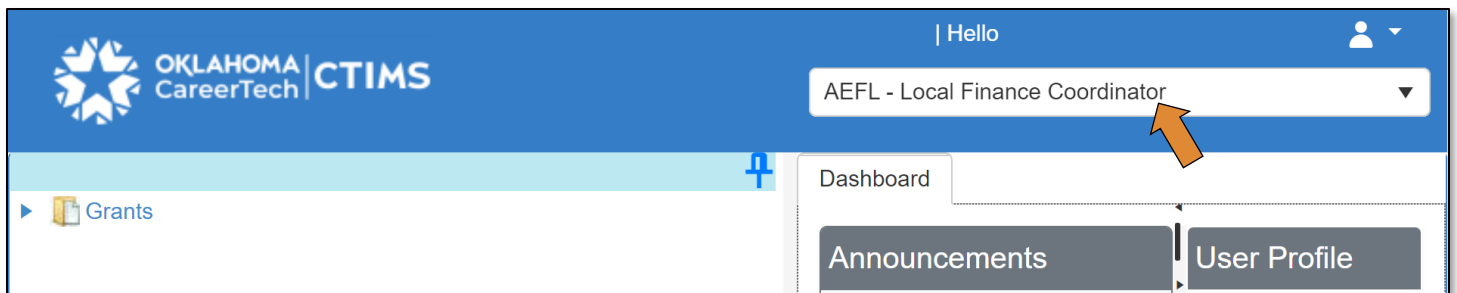

### Stage 2-3: State Initiative Supervisor – ODCTE Finance Reviewer

**NOTE:** Recipients are held to the 5% administrative cost rate or the negotiated rate of actual expenditures, not budgeted. Each invoice/claim must be submitted at the site's negotiated administrative cost rate. The site may elect to apply indirect costs/administrative costs to their grant until the final claims. If sites elect to invoice above their approved administrative rate, they must complete an estimated year-end projection. The projection must be approved **before** invoices are approved. A projection template is available on the AEFL Forms website.
