

2021 OKLAHOMA STAR SPOTLIGHT ON TEACHING AG AWARD

The Oklahoma State Teach Ag Results (STAR) program seeks to honor 10 teachers (two from each area of Oklahoma) for work they do on the local level in all learning environments. This includes utilizing innovative teaching methods, implementing unique lessons or units, and supporting/assisting specialized community programs. The 10 teachers will be honored at Oklahoma Summit in August, 2021.

DIRECTIONS

We ask that you nominate an outstanding peer teacher for this award. You may submit multiple teacher nominations, and you do not have to be in the same region or area as the nominee. Teachers that have received this award in the past two years are not eligible for 2021. Please follow the link below, or scan the QR code to complete an online nomination form for a peer teacher.
