2023 CareerTech Programs and Courses for Postsecondary Opportunity Points

CareerTech courses combine classroom work with skill-based practices to train and develop students for the workforce. Courses may be taught only by CareerTech certified instructors.

Local Student Information System Reporting Requirement for CareerTech:

Instructional Level 0579 (accepted as a high school equivalent)

Scheduling Best Practices:

9000+ are full year programs that may be two semesters of the same OCAS code with one grade for each semester OR one full year section with two grades (e.g.,1S grade and 2S grade).

CareerTech opportunities are provided through two channels: 8000+ and 9000+

Counseling and Career Development

8000+ - Students enroll and complete courses. These courses may include internships. Courses are taught at either the local technology center or the high school by a CarerTech certified instructor.
