AND TECHNOLOGY EDUCATION

June 15, 2023

Julie McCormick, Superintendent  
Gordon Cooper Technology Center  
One John C. Bruton Blvd.  
Shawnee, Oklahoma 74804

Dear Ms. McCormick:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Gordon Cooper Technology Center School District No. 5 for the 2023-2024 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Shawnee campus and the Seminole and Aviation sites.

The Oklahoma State Board of Career and Technology Education approved Gordon Cooper Technology Center for continued full postsecondary accreditation on March 23, 2023. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for the 2027-2028 school year. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

A handwritten signature in black ink that reads "Jessica Ventris".
