Daren Slater, Superintendent
Northwest Technology Center
1801 S. 11th
Alva, OK 73717-9600

Dear Mr. Slater:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Northwest Technology Center School District No. 10 for the 2023-2024 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Alva and Fairview campuses.

The Oklahoma State Board of Career and Technology Education approved Northwest Technology Center for continued full postsecondary accreditation on January 21, 2020. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation will be scheduled for the 2024-2025 school year. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

A handwritten signature in black ink that reads "Jessica Ventris".
