CERTIFIED HEALTHY CAMPUS

Certified Healthy Oklahoma is a statewide recognition program that offers a free assessment tool allowing businesses, campuses, communities, congregations, early childhood programs, and schools to gauge where they stand on supporting health with an annual certification award showcasing their commitment to actively promoting wellness.

Benefits

♦ Recognition as a campus that goes "above and beyond" to create a healthy, nurturing environment
♦ Recipients are invited to a professional development event
♦ Enhance your campus's image in the community and add credibility to your campus
♦ The "Certified Healthy Campus" designation can be used in promotional materials to recruit and retain potential students and employees

Eligible Applicants

♦ Universities, colleges, career technology centers
♦ Public or private
♦ Any size campus
