## NOTICE TO CANDIDATES

All candidates who filed Declarations of Candidacy with the Secretary of the State Election Board April 11 – April 13, 2018, received written notice at the time their Declarations of Candidacy were accepted of the location of this publication on the State Election Board website.

The names of candidates are shown as they appear on the Ballot Name lines on Declarations of Candidacy. Candidates' addresses have been reproduced from Declarations of Candidacy as faithfully as possible, without any attempt having been made to standardize abbreviations or impose any other consistency among listings.

An asterisk (\*) preceding the name of a county in listings for State Senator and State Representative indicates that the county is divided into two or more State Senate districts or State House of Representatives districts, respectively.
