

**STATE QUESTION 691
LEGISLATIVE REFERENDUM 319
Primary Election — August 22, 2000**

This measure would change vehicle registration fees and taxes. It would change the annual registration fee to a flat fee based on the number of years registered. The fee would be \$85 for years one through four, \$75 for years five through eight, \$55 for years nine through twelve, \$35 for years thirteen through sixteen, and \$15 for years seventeen and over. The method of calculating vehicle excise tax would change. The change would base the excise tax on the actual sales price of the vehicle instead of the existing arbitrary formula. The rate applied to used vehicles could be lower than the rate for new vehicles. Schools, counties and cities would receive no less than they received during the previous fiscal year. This measure would reduce tag costs for recreational vehicles. This measure would be effective October 1, 2000.

**STATE QUESTION 684
LEGISLATIVE REFERENDUM 314
General Election — November 7, 2000**

This measure amends the State Constitution. It amends Sections 2, 3 and 5 of Article XI, which deal with the School Land Trust. The United States established the Trust to benefit the State's common schools and certain State universities. The permanent school fund is part of that Trust. That trust fund must now forever remain intact and the State can never diminish it. The State can now only use the trust fund's income to aid schools.

The measure changes how the State could use the permanent school fund. The measure allows the State to use more than the fund's income to aid schools. The measure allows the State to diminish the fund itself to aid schools. The measure allows the State to use between 4¾% and 5½% of the market value of the fund for the last three years to aid common schools.

The measure also allows the State to use more than trust income to aid the specified universities. The measure allows the State to also diminish the trust fund established to aid the universities. The measure does not set a limit on the amount of trust funds the State could use to aid the universities.

STATE QUESTION 688
LEGISLATIVE REFERENDUM 317
General Election — November 7, 2000

This measure amends the State Constitution. It amends Section 3 of Article 28. Presently, wineries may sell their wine to consumers at the winery. They also may sell wine to wholesalers. They cannot sell wine to retail package stores. They cannot sell wine to restaurants. This act would allow Oklahoma wineries to sell their wine to retail package stores and restaurants in this state. They also could ship the wine directly to the retail package stores and restaurants that are licensed to sell liquor by the drink.

LEGISLATIVE REFERENDUM 318
General Election — November 7, 2000

This measure amends the Oklahoma Constitution. It amends Sections 9 and 10 of Article 10. It affects certain school millage levies. The change is to the emergency levy, local support levy, and the building fund levy for school districts. It would allow each school district to decide to eliminate the need for an annual election for those levies. Once the levies are approved, the voters of the school district would also decide whether to allow them to continue from year to year. The vote on the levies would change only if another election is held and the voters rescind their prior action. Such an election would be held if a petition is signed or the board of education recommends an annual vote be taken.

STATE QUESTION 692
LEGISLATIVE REFERENDUM 320
General Election — November 7, 2000

This measure amends the Oklahoma Constitution. It adds Section 40 to Article 10. The measure creates the Tobacco Settlement Endowment Trust Fund. A percentage of the payments received by the state from tobacco companies shall be deposited in the trust fund. The percentage goes from 50% for the fiscal year ending June 30, 2002, to 75% for any fiscal year ending June 30, 2007, and after. Monies not deposited in the trust fund shall be subject to legislative appropriations. The trust fund would be managed by the Board of Directors. The Board of Directors would consist of members appointed by various state officials. The trust fund monies could be invested according to certain standards. A Board of Investors would have the duty of investing the trust fund monies. The chair of the Board of Investors would be the State Treasurer. Other members would be appointed by various state officials. The earnings from the trust fund may be expended by the Board of Directors for certain purposes. The purposes include tobacco prevention and cessation programs, health care, education, other children's services and programs for senior adults. The measure allows the Legislature to pass laws to further implement this section.
