

➤➤➤➤➤ **OUR MISSION** ◀◀◀◀◀

2022

To Protect and Promote Health

Vital Records

Issued 477,000 birth and death records through mail and internet orders.

Community Development

Engaged the public with over 70,000 phone calls to support COVID-19 testing and vaccination.

Women, Infants, & Children

Oklahoma's WIC program served almost 100,000 clients through health department and Indian Tribal programs.

Emergency Preparedness & Response Service

Deployed 42 ventilators to hospitals across Oklahoma for COVID-19 support.

County Health Departments

Helped over 250,000 people through our County Health Departments and delivered care through Mobile Wellness Units to rural Oklahomans across the state.

To Prevent Disease and Injury

Screening & Special Services

Enhanced requirements for lead detection to protect Oklahoma's children.

Nursing Services

Administered over 6.5 million COVID-19 vaccine doses to Oklahomans.

Injury Prevention

Trained more than 70 new child passenger safety technicians to distribute and educate Oklahomans about car/booster seats.

Chronic Disease & Prevention

Increased the percentage of Oklahomans protected from secondhand smoke by 3.6%.

Immunizations

Immunized over 1 million Oklahomans.

Sexual Health & Harm Reduction

Helped provide medications and insurance assistance to over 2,000 patients diagnosed with HIV.

Public Health Lab

Performed over 100,000 individual tests for COVID-19, flu and other public health diseases.

To Cultivate Conditions By Which Oklahomans Can Thrive

Maternal & Child Health

Maternal & Child Health programs served more than 1 million mothers, children, babies, and family members.

SoonerStart

Oklahoma's SoonerStart program served over 13,000 children.

Family Support & Prevention

Conducted nearly 50,000 appointments for first time mothers through Children First: Oklahoma's Nurse Family Partnership and child guidance.

Community Outreach

1,200 organizations and communities applied for Certified Healthy Oklahoma status.
