**This institution is an equal opportunity provider.**

Below are suggested questions to facilitate WIC discussion.

- How are you feeling today? *(Assess for 'baby blues'/depression, postpartum support, appetite, skipping meals [concern about adequate calories & nutrients])*
- What are your mealtimes like? *(Assess environment [TV, phones, tablets at table], family meals, timing of meals, pattern [3 meals/2-3 snack], intake changes, intolerances, any special dietary needs, food preparation (who prepares, fast food/wk))*
- What would you like to change about your eating? Activity level?
- Is there anything you would like to eat more or less of?
- What questions do you have about breastfeeding? *(Assess support system, nipple pain, latch, milk expression/pumping, milk supply concerns whether breastfeeding or nonbreastfeeding)*
- Do you ever have a hard time chewing or eating certain foods? *(tooth loss, impaired ability to eat, oral health)*
- What has been helpful at this visit?
