Description of Amendment:

a. This is to incorporate the following:

1. Question: I am curious as to why this is going out to bid? These products are only available through QIAGEN, and I sent the lab the attached sole source letter stating this several months ago.

Answer: An internet search was conducted and OSDH was not able to confirm that Qiagen products were not available through third-party resellers. In addition, the sole source letter provided to OSDH PHL-reflected that Qiagen is the sole distributor but did not definitively state that no third-party resellers were authorized, nor did it state that any Qiagen products used from any other source would effectively negate warranties.

b. All other terms and conditions remain unchanged.
