- IV. Review of previous meeting summary-** The first quarter CQI meeting was held on February 9, 2021 via Microsoft Teams and was called to order at 10:01 am by Eddie Sims. There were 11 members present. Jamie Lee announced OSDH staff continue to work from home. She also announced there was a question regarding how CQI operates, and we may need to return to the use of executive session. This question has been forwarded to the legal department for clarification. Until that clarification is received, business items will be omitted from the agenda. Ten cases were reviewed by the group. Two cases were closed, and there were 11 letters to be authored with responses expected. The group also reviewed six responses to CQI letters. Five of those were accepted by the committee as received with no further action needed, and one required further explanation of the initial letter with a response expected. The committee decided to change the start time of the next meeting to 10:00 am. The meeting adjourned at 11:59 am.
