- V. Business......Jaimie McAlister, Chair

A motion to approve the minutes as written was made by Valerie Schulz and seconded by Josh Boden.

- 1. Review of regional initiatives introduction letter-content and signatory/s-recipient
- 2. Performance measure for each strategic goal and timeline
- 3. Report frequency and content for each strategic goal
- 4. Recommendation for next steps

There was no discussion and the motion passed 4-0.

Discussion took place about a letter that was drafted in June to be sent to all Region 1 hospitals, and EMS services, including administration and medical directors. This letter will be updated with dates that are pertinent to 2022 and include new T3 training requirements that were voted on by the committee for all hospitals and EMS services. This letter, along with a shortened T3 training power point created by Chair, Ms. McAlister will be sent to all Region 1 hospitals. EMS services will receive the letter but will continue with the T3 training currently used. New training requirements will go into effect by January 1, 2022, allowing the 2021 goals to be reached by the end of 2022.

A motion to approve the training requirements with 100% compliance no later than the first quarter, along with sending out the updated drafted letter was made by Valerie Schultz and seconded by Josh Boden. The motion passed 4-0.

- - 1. Trauma Plan and Bylaws review
 - 2. Stroke
 - 3. Chemical Preparedness

There was discussion for the trauma plan, bylaws, and the stroke workgroups to be kept in the RPC and worked through during upcoming meetings. Chemical preparedness will be removed from the agenda in the RPC and moved back to the Regional Medical Response System (RMRS) as part of the RMRS grant deliverables. Discussion took place and Ms. Pelley volunteered to follow up with Ms. Marshall about moving the chemical preparedness back. There was no vote at this time and will be discussed at the next meeting.
