Non-Nursing Home Long-Term Care Provider Call Recording

The Oklahoma State Department of Health (OSDH) Long-Term Care Survey Division, along with Dr. LaTrina Frazier, Deputy Commissioner, and Janene Stewart, LTC Service Director, presented the LTC COVID-19 Provider Call on Wednesday, August 24, 2022.

The recording of the call, along with Key Guidance and Q&As, may be accessed on our [LTC COVID-19 Resource page under Provider Calls](#).

Respiratory Fit Testing Learning Needs Assessment

OSDH will be providing, via a third-party vendor, respiratory fit testing train-the-trainer education for two healthcare workers at each participating facility. This funding is provided through the ELC (Epidemiology and Laboratory Capacity), CDC Nursing Home and Long-Term Care Strike Team and Infrastructure grant. Services will be offered on a first-come, first-serve basis until funds have been exhausted. This service will include a respiratory fit testing kit, or supplies if needed, as well as resources/assistance with developing a respiratory protection program for your facility. Please assist us in gathering data by following the link provided below to the Respiratory Fit Testing Learning Needs Assessment via RedCap.
