23. Surveyor summary: Based on the reviews of the patients from this home health agency including all information surveyed in the standard survey and using the Functional Assessment Instrument (FAI), this home health agency: (G45)

☐ 1. Provides care that promotes a high potential for reaching the highest attainable levels of functioning for its patients. There is no evidence of need for a partial extended or extended survey.

☐ 2. Provides care that promotes a moderate potential for reaching the highest level of functioning for some but not all of its patients. There are standard level deficiencies and need for a partial extended survey. If no conditions are out of compliance, a Plan of Correction will be requested for the standard level deficiencies.

☐ 3. Provides substandard care. There are condition level deficiencies in one or more Conditions of Participation. There is an immediate need for an extended survey.

HOME HEALTH AGENCY SURVEY AND DEFICIENCIES REPORT

Page ____ of ____

Record deficiencies identified on a Standard Survey, Partial Extended Survey, and/or Extended Survey on different pages, check the type of survey under item 3 and enter the date of the survey in item 4.

- A. In the first column, identify the data tag number.
- B. In the second column, write the regulatory citation. If it is a Condition of Participation, enter "CoP" below the regulatory citation.
- C. In column three, describe the findings and evidence under "Comments."
- D. Draw horizontal lines to separate identified tag numbers.
- E. If more space is needed, photocopy the "Deficiencies & Comments" page and continue the recording (front and back).
- F. Each surveyor must sign the certifying statement on the last page for each type survey(s) conducted (i.e., Standard Survey, Partial Extended Survey, and/or Extended Survey). If more space is needed to list deficiencies identified during a Partial Extended Survey, photocopy page.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0355. The time required to complete this information collection is estimated to average 1 hour 10 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, Attn: PRA Reports

HOME HEALTH AGENCY SURVEY AND DEFICIENCIES REPORT

Page ____ of ____

A. STANDARD SURVEY

I certify that I have reviewed each HHA Condition of Participation and related Standard(s) included in the Standard survey and except as indicated on this form, the facility was found to be in compliance with the standards and/or the Conditions of Participation.
