Description of Amendment:

a. This is to incorporate the following:

The starting serial number is not correct in the document, it SHOULD BE: 1823206

Question #1

It appears that the card has changed from 2018, and I see where the new copy is included in the Bid. However, can you please confirm which page goes with each part? I assume that some pages are printed on the backer, but it is not noted anywhere. Can you please identify each part?

Answer #1

All pages are described in the word document.

- 1. Page 1 is the one with the Serial number on the binding and upper left hand corner.
2. Page 2 is the chart copy
3. Page 3 is the front side Parent/Guardian Information Sheet with the serial number in upper left hand corner (Has heading reading Newborn screening blood tests listed)
4. Page 3 is the back side Parent/Guardian Information Sheet with no serial number (Has heading reading Will my baby need more testing)
5. Page 4 is the front side Newborn Hearing screening program sheet with serial number in upper left hand corner. (Has heading reading Importance of newborn hearing screening)

6. Page 4 is the back side Newborn Hearing screening program sheet with no serial number (Has heading reading Your baby's hearing)
7. Page 5 is the part connected to the blood spot collection section that has the Instructions for collecting blood spot specimens
8. Page 6 has Instructions for completion of hearing screen section on the front side
9. Page 6 has Instructions for completion of NBS form on the back. (This is not explained in the word document)
10. Overlay printing on front and back

Question #2

Further to question #1, can you confirm that the card dimensions are to be the same as before?

Answer #2

The size has changed since last manufacture date as specified in the word document.

b. All other terms and conditions remain unchanged.
