Presented by the Oklahoma State Department of Health
Family Support & Prevention Service

DEADLINE TO NOMINATE
COB Monday, March 2, 2020

NOMINATIONS

The OSDH – Family Support & Prevention Service is currently accepting nominations to recognize excellence in the field of child abuse prevention. Please nominate a program or person you would like recognized for outstanding efforts in promoting safe, stable and nurturing environments and relationships for Oklahoma's children.

While all categories of child abuse prevention will be considered, there is a strong focus on primary prevention for these awards.

Primary Prevention is about preventing abuse or neglect of children before it occurs.

Secondary Prevention addresses risks among specific groups to prevent child abuse or neglect before it occurs.

Tertiary Prevention seeks to prevent child abuse and neglect from happening again in families where abuse has already occurred.
