**I would like to ask you some questions,  
which I will show you in a moment.**

**We ask everyone these same questions.**

**This will help us provide you with  
better care.**

**Some of the questions may seem  
very easy, while others may be more  
difficult.**

**We ask these questions so that we  
can make sure that our care will  
meet your needs.**

**I have written 3 words for  
you to remember.**

**Please read them.**

**Then, I will remove the
