

5x5 Book Challenge

Find 5 books in 5 different subject areas/genres that you are interested in reading. Don't worry if you can't think of 25 books, just fill out what you can. We'll get suggestions from each other as well!

Too easy? Consider making it more of a challenge by seeking out diverse voices: authors of color, translated works, LGBTQ+ characters, diverse gender expressions, differently abled characters, etc.
