NOTICE RELATED TO CONSTRUCTION OF A WIND ENERGY FACILITY

Pursuant to Section 160.21 of Title 17 of the Oklahoma Statutes (“Section 160.21”) and Section 165:35-45-4 of the Oklahoma Administrative Code (“Section 165:35-45-4”), Duke Energy Renewables Wind, LLC (“Company”), hereby submits its notice to the Oklahoma Corporation Commission (“Commission”) of the construction of the Frontier Windpower IV Project, (the “Project”) located in Kay County, Oklahoma.

The Project has been under active development for several years. The totality of the initial FAA Form 7460-1 filings for the Project were submitted to FAA on three separate dates: November 18, 2019; November 26, 2019; and February 10, 2020 (the “FAA Filings”). A summary of the FAA Filings within the Project boundary is attached as Exhibit A. Each of the initial FAA Filings that are referenced in the summary are attached as Exhibit B. Additionally, attached as Exhibit C is a map depicting the Project boundary.

As of the date of this notice, and based on the best publicly available data, Company attests, that the Project design is in full compliance with the setbacks set forth in Section 160.20 of Title 17 of the Oklahoma Statutes.

All of the initial FAA Filings submitted to the Commission in this notice were previously provided to the Oklahoma Aeronautics Commission (“OAC”) in accordance with Section 160.21 and Oklahoma Administrative Code Section 25:40-1-1, *et seq.* (“Section 25:40-1-1”).

In accordance with the notification requirements of Sections 160.21 and 165:35-45-4, this notice will also be subsequently provided to the Board of the Kay County Commissioners. Evidence of that forthcoming notice is provided as Exhibit D. Since no Project facilities are located within an incorporated area of a municipality, no additional notice is required under either Sections 160.21 or 165:35-45-4.

Vice President

Enclosures

Exhibit A
(Summary of FAA Filings)

Below is a table summary containing filing numbers, structure name and height, location and elevation for each of the Project's structures that require a form FAA 7460-1 to be filed with the FAA. As was previously mentioned, the Project will be located in Kay County, Oklahoma and will not be located within the city limits of any municipality. Each wind turbine will have white paint and certain turbines will have red lights in conformity with FAA regulations.

| Proposed Structure | Longitude (NAD83) | Latitude (NAD83) | Ground Elevation (ft) | Structure Height (ft) | Structure Elevation (ft) | ASN | Date Accepted (FAA) |
