WITHDRAWAL OF NOTICE OF INTENT TO CONSTRUCT

Diamond Spring, LLC, would like to formally withdraw its original Notice of Intent to Construct ("Withdrawal Notice"), as submitted to the Oklahoma Corporation Commission on June 1, 2016 and included hereto as Exhibit A, for the Diamond Spring Wind energy project ("Project") located in Pontotoc, Murray, and Johnston counties.

The Project has been under active development for several years, but due to recent changes to the Project boundary (Exhibit B), the Project is withdrawing its original Notice of Intent to Construct and resubmitting a notice pursuant to Section 2 of Oklahoma Senate Bill 808¹ ("OK Siting Laws"). The original FAA form 7460-1 filings (Exhibit C) have been terminated, and new filings accompany the resubmittal notice.

In accordance with the OK Siting Laws, Diamond Spring, LLC, also confirms it is submitting this Withdrawal Notice to the Board of the Murray County Commission, the Board of the Pontotoc County Commission, and the Board of the Johnston County Commission in the form attached hereto as Exhibit D. No project facilities are located within an incorporated area of a municipality, and thus no additional notice is required under SB 808.

Please do not hesitate to contact us with any questions regarding this filing.

Sincerely,

Mark Goodwin
President
