NOTICE OF INTENT TO CONSTRUCT

In order to comply with the requirements of Oklahoma law, codified as The Oklahoma Wind Energy Development Act, specifically Section 160.21 of Oklahoma Statutes Title 17, and as it relates to certain Rules promulgated by the Oklahoma Corporation Commission ("Commission"), NextEra Energy Resources, LLC (the "Company") hereby informs the Commission of its intent to construct the Minco V wind energy project (the "Project") concurrently located in Caddo County, Oklahoma.

The Project has been under active development for several years. The most recent FAA form 7460-1 filing was made on April 28, 2016. A summary of the FAA form 7460-1 filings for each wind turbine tower location within the Project boundary is attached as Exhibit A. Exhibit B to this letter presents a diagram showing the real estate analyzed and included in statutory setback compliance. As of the date of this notice, and based on publicly available data, Company attests that the Project design complies with the setbacks required by the OK Siting Laws.

In accordance with Oklahoma law, the Company also confirms it is submitting a notice of intent to construct to the Caddo County Board of the Commissioners in the form attached hereto as Exhibit C. No project facilities are located within an incorporated area of a municipality, and thus no additional notice is required under OK law.

Please do not hesitate to contact us at 561-304-6161 with any questions regarding this filing.

Sincerely,

Krista Hendricks
