RE: Notice of Intent to Build a Wind Energy Facility to be located in Garfield County, Kingfisher County, Logan County, and Noble County, Oklahoma in accordance with the Oklahoma Wind Energy Development Act.

Ladies and Gentlemen:

Pursuant to the Oklahoma Wind Energy Development Act ("Act") and the Oklahoma Corporation Commission ("OCC") rules implementing the Act, this letter is a notification of intent to build a wind energy facility ("Notice"). We intend to construct wind energy turbines and related facilities for the Wagon Wheel Wind Project in Garfield County, Kingfisher County, Logan County, Noble County, and Payne County, Oklahoma (the "Project"). Notice is being provided to you within six (6) months of the initial filing of the Notice of Proposed Construction ("7460-1 Forms") with the Federal Aviation Administration ("FAA"), made on June 18, 2021.

Enclosed as Exhibit A to this Notice are copies of all the initial 7460-1s Forms for each wind turbine, met tower, or other structure that requires such form that is a part of the Project. A map depicting the Project boundary is included with this Notice as Exhibit B. As of the date of this Notice, and based on publicly available data, we confirm that the Project design complies with the setback requirements set forth under section 17-160.20A of the Act. The project boundary and turbine locations have shifted since filing Wagon Wheel Wind Project's initial 7460-1 Forms with the FAA on July 12, 2021, and therefore we plan to restart the notification process pursuant to Oklahoma Administrative Code 165:35-45-4.

Within twenty-four (24) hours of submitting this Notice to you, we are providing copies of this Notice to the Garfield Board of County Commissioners, the Kingfisher Board of County Commissioners, the Logan Board of County Commissioners, and the Noble Board of County Commissioners. No portion of the Project is located within an incorporated area of a municipality.

Please file stamp a copy of this letter confirming your receipt and send us a file-stamped copy. Please confirm receipt of this notice by providing an email confirmation to Max Moore, at MAAMoore@invenergy.com. Thank you.

Sincerely,

Bristi Cure
Vice President, Development
