NOTICE OF INTENT TO CONSTRUCT

In order to comply with the requirements of Section 2 of Oklahoma Statute Title 17, (collectively referred herein as "OK Siting Laws"), which was approved by the legislature and signed by the Governor, and in advance of certain rules that are to be promulgated by the Oklahoma Corporation Commission ("Commission") pursuant to the passage of OK Siting Laws, Rush Springs Wind Energy, LLC, (the "Company"), on behalf of Rush Springs, hereby informs the Commission of its intent to construct the Rush Springs wind energy project (the "Project") concurrently located in Grady County and Stephens County, Oklahoma.

The Project has been under active development for several years. The most recent FAA form 7460-1 filing was made on December 14, 2015. A summary of the December 14 FAA form 7460-1 filings for each wind turbine tower location within the Project boundary is attached as Exhibit A. Exhibit B to this letter presents a diagram showing the real estate analyzed and included in statutory setback compliance. As of the date of this notice, and based on publicly available data, Company attests that the Project design complies with the setbacks required by the OK Siting Laws.

In accordance with the OK Siting Laws, the Company also certifies it is submitting a notice of intent to construct to the Grady and Stephens County Board of the Commissioners in the form attached hereto as Exhibit C. Notice has been provided to the municipality of Bray in accordance with OK Siting Laws regarding project facilities located within an incorporated area of a municipality.

Please do not hesitate to contact us at 561-304-6161 with any questions regarding this filing.

Sincerely,

Krista Hendricks
Project Director, Development

Legal Notice

(Published in the Rush Springs Gazette, Thursday, December 24 and 31, 2015 20)

NOTICE OF INTENT TO CONSTRUCT

In order to comply with the requirements of Section 2 of Oklahoma Senate Bill 608, codified as Section 160.21 of Oklahoma Statutes Title 17, (collectively referred herein as "OK Siting Laws"), which was approved by the legislature and signed by the Governor, and in advance of certain rules that are to be promulgated by the Oklahoma Corporation Commission ("Commission") pursuant to the passage of OK Siting Laws, Rush Springs Wind Energy, LLC, ("Company"), on behalf of Rush Springs, hereby informs the Commission of its intent to construct the Rush Springs Wind energy project (the "Project") currently located in Grady County and Stephens County, Oklahoma.

The Project has been under active development for several years. The most recent FAA Form 7460-1 filing was made on December 14, 2015. A summary of the December 14 FAA Form 7460-1 filings for each wind turbine tower location within the Project boundary is attached as Exhibit A. Exhibit B to this letter presents a diagram showing the real estate analyzed and included in statutory setback compliance. As of the date of this notice, and based on publicly available data, Company asserts that the Project design complies with the setbacks required by the OK Siting Laws.

In accordance with the OK Siting Laws, the Company also certifies it is submitting a notice of intent to construct to the Grady and Stephens County Board of Commissioners in the form attached hereto as Exhibit C. Notice has been provided to the municipality of Bray in accordance with OK Siting Laws regarding project facilities located within an incorporated area of a municipality. Please do not hesitate to contact us at 561-304-0161 with any questions regarding this filing.
