KING PLAINS WIND PROJECT OPEN HOUSE MEETING

ENGIE, formerly known as Infinity Renewables is developing the Kings Plains Wind Project in Garfield and Noble Counties to the east of the town of Garber. The proposed project is anticipated to have a capacity of up to 250 megawatts, with construction beginning in October 2019.

ENGIE will be hosting an open house meeting to convey project information and projected schedule. The meeting is open to anyone interested in learning more about the project. Light refreshments will be served.
