RE: Proof of Newspaper Publication -- Notification of Intent to Build a Wind Energy Facility in Texas County, Oklahoma and Cimarron County, Oklahoma and Proof of Notification of Boards of County Commissioners -- Public Meeting regarding Wind Catcher Energy Project in Texas County, Oklahoma and Cimarron County, Oklahoma (Project).

Ladies and Gentlemen:

On July 16, 2018, we sent you Notification of Intent to Build a Wind Energy Facility in Texas County, Oklahoma and Cimarron County, Oklahoma pursuant to the Oklahoma Wind Energy Development Act (Act) and the Oklahoma Corporation Commission (OCC) rules implementing the Act (Initial Notice). A copy of the Initial Notice regarding the Wind Catcher Energy Project was subsequently published in the following newspapers on the dates indicated below:

<u>Newspaper</u>	<u>Date of Publication</u>
Boise City News	July 18, 2018
Guymon Daily Herald	July 19, 2018

We enclose copies of Proof of Publication from the above two newspapers as Exhibit A to this letter.

In addition to publishing the Initial Notice, we provided each Board of County Commissioners for Texas County, Oklahoma and Cimarron County, Oklahoma with notice of a public meeting regarding the Project.

We enclose copies of the notices we sent the respective Boards of County Commissioners as Exhibit B to this letter. The date, time, and location of the meeting is contained in Exhibit B. Please file stamp a copy of this letter confirming your receipt and send us a file-stamped copy. Thank you.

Sincerely,  
States Edge Wind Energy LLC

Guymon, OK 73942

RE: Notice of Public Meeting – Wind Catcher Energy Project in Texas County, Oklahoma and Cimarron County, Oklahoma.

Dear Commissioner Bryan,

The owners of the Wind Catcher Energy Project (Project) will host a public open house to provide area residents information about the development of the Project in Eastern Cimarron County, Oklahoma and Western Texas County, Oklahoma. This phase of the Project will be located on private lands, and will consist of up to approximately 692 wind turbine generators and associated infrastructure. The meeting is open to the public and will be held on:

**July 26<sup>th</sup>, 2018 from 10:00 AM until 12:00 PM**

at the

**Keyes High School, 3rd & McKnab St, Keyes, OK 73947**

Project representatives will be available to discuss all aspects of the Project. Please join us.

We also enclose a copy of a similar notice we're publishing in the Guymon Daily Herald newspaper (see Exhibit A).

Please file stamp a copy of this letter confirming your receipt and send us a file-stamped copy. Thank you.

Sincerely,

By: \_\_\_\_\_
