DISCUSSION AND POSSIBLE ACTION REGARDING REAL PROPERTY TRUST

Durand Crosby presented the trustees an accounting of the real property trust report showing the properties that ODMHSAS currently holds. He stated that nothing has

changed since the last meeting and requested the Board of Trustees approve the report.

Mr. Carson asked if the Department wanted to sell any of their property what would be the process. Mr. Crosby stated that legislatively we cannot sell any properties. There is a statute that states all of the land owned by the Department must be placed in a trust.

Commissioner White spoke briefly about the property located in Norman, Oklahoma, and what options would best benefit the Department. Commissioner White and Mr. Crosby met with Cindy Rosenthal, Mayor of Norman, and State Representative Martin to begin conversations on how the Department and the City of Norman could best benefit long term from the use of this property. Commissioner White will provide the Board updates as things progress.

Dr. Pierce moved to approve the above-mentioned report. Mr. Carson seconded the motion.
