ADDICTIVE DISORDER TREATMENT SERVICES SUBCHAPTER 1. GENERAL PROVISIONS

450:18-1-1. Purpose

This chapter sets forth the standards and criteria used in the certification of facilities and organizations providing treatment services for consumers with substance-related and addictive disorders and implements 43A O.S. §§ 3-403, 3-415, 3-416, 3-417, 3-417.1, 3-601, 3-602 and 3-603. The rules regarding the certification processes, including, but not limited to, the application process, fees, and administrative sanctions are found in OAC 450:1, Subchapters 5 and 9. Rules outlining general certification qualifications applicable to facilities and organizations certified under this Chapter are found in OAC 450:1-9-5 through OAC 450:1-9-5.6.

450:18-1-2. Definitions

The following words or terms, when used in this chapter, shall have the following meaning, unless the context clearly indicates otherwise:

"Abuse" means the causing or permitting of harm or threatened harm to the health, safety, or welfare of a consumer by a staff responsible for the consumer's health, safety, or welfare, including but not limited to: non-accidental physical injury or mental anguish; sexual abuse; sexual exploitation; use of mechanical restraints without proper authority; the intentional use of excessive or unauthorized force aimed at hurting or injuring the resident; or deprivation of food, clothing, shelter, or healthcare by a staff responsible for providing these services to a consumer.

"Acute intoxication or withdrawal potential" means one dimension to be considered in consumer placement, continued stay, and discharge and is an evaluation of the consumer's withdrawal patterns and current level of intoxication and potential for withdrawal complications as it impacts level of care decision making.

"Admission" means the acceptance of a consumer by a treatment program to receive services at that program.

"Admission criteria" means those criteria which shall be met for admission of a consumer for services.

"Adult" means any individual eighteen (18) years of age or older.

"ASAM" means the American Society of Addiction Medicine.

"ASAM levels of care" means the different options for treatment as described in the current edition of the ASAM criteria that vary according to the intensity of the services offered. Each treatment option is a level of care.

"ASAM criteria" means the most current edition of the American Society of Addiction Medicine's published criteria for admission to treatment, continued services, and discharge.

"ASAM level 1" means Outpatient Services for adolescents and adults. This level of care typically consists of less than nine (9) hours of services per week for adults or less than six (6) hours of services per week for adolescents. Services may be delivered in a wide variety of settings.

"ASAM level 3" means residential and inpatient services and encompasses ASAM levels 3.1, 3.3, 3.5 and 3.7.

"ASAM level 3.1" means Clinically Managed Low-Intensity Residential Services for adolescents and adults. This level of care typically provides at least five (5) hours of clinical services a week and provides a twenty-four (24) hour living support and

structure with trained personnel. The corresponding service description for this level of care is Halfway House Services.

"ASAM level 3.3" means Clinically Managed Population-Specific High-Intensity Residential Services. This level of care is for adults only and typically offers twenty-four (24) hour care with trained personnel and is designed to accommodate individuals with cognitive or other impairments, including co-occurring disorders. The corresponding service description for this level of care is Residential Treatment for Adults with Co-Occurring Disorders.

"ASAM level 3.5" means Clinically Managed Medium-Intensity Residential Services for adolescents and Clinically Managed High-Intensity Residential Services for adults. This level of care provides twenty-four (24) hour care and offers a wide range of therapeutic services. The corresponding service descriptions for this level of care are Residential Treatment and Intensive Residential Treatment.

"ASAM level 3.7" means Medically Monitored High-Intensity Inpatient Services for adolescents and Medically Monitored Intensive Inpatient Withdrawal Management for adults. This level of care provides twenty-four (24) hour nursing care with physician supervision and medication availability. This level of care is appropriate for individuals withdrawing from alcohol or other drugs with subacute biomedical and emotional, behavioral, or cognitive problems severe enough to require inpatient treatment but for whom hospitalization is not necessary. The corresponding service description for this level of care is Medically Supervised Withdrawal Management.

"Assessment" means those procedures by which a program provides an on-going evaluation process with the consumer as outlined in applicable rules throughout OAC 450 to collect pertinent information needed as prescribed in applicable rules and statutes to determine courses of actions or services to be provided on behalf of the consumer. Assessment may be synonymous with the term evaluation.

"Behavioral health services" means a wide range of diagnostic, therapeutic, and rehabilitative services used in the treatment of mental illness, substance use disorders, and co-occurring disorders.

"Biomedical condition and complications" means one dimension to be considered in placement, continued stay, and discharge and is an evaluation of the consumer's current physical condition and history of medical and physical functioning as it impacts level of care decision making.

"Biopsychsocial assessment" means face-to-face interviews conducted by a Licensed Behavioral Health Professional (LBHP) or Licensure Candidate designed to elicit historical and current information regarding the behaviors, experiences, and support systems of a consumer, and identify the consumer's strengths, needs, abilities, and preferences for the purpose of guiding the consumer's recovery plan.

"Care management" means a type of case management in residential substance use disorder (ASAM Level 3) treatment settings that includes assessment, development of a care plan, and referral and linkage to community supports and community-based or lower level of care services to promote continued recovery after the individual discharges from the treatment facility.

"Case management" means planned referral, linkage, monitoring, support, and advocacy provided in partnership with a consumer to assist that consumer with self-sufficiency and community tenure and take place in the individual's home, in the

community, or in the facility, in accordance with a service plan developed with and approved by the consumer and qualified staff.

"Child" or **"Children"** means any individuals under eighteen (18) years of age.

"Client" See "Consumer."

"Community-based Structured Crisis Center" or **"CBSCC"** means a program of non-hospital emergency services for mental health and substance use disorder crisis stabilization as authorized by 43A O.S. §3-317 including, but not limited to, observation, evaluation, emergency treatment, and referral, when necessary, for inpatient psychiatric or substance use disorder treatment services. This service is limited to CMHCs who are certified by the Department of Mental Health and Substance Abuse Services or facilities operated by the Department of Mental of Substance Abuse Services.

"Community mental health center" or **"CMHC"** means a facility offering a comprehensive array of community-based mental health services including, but not limited to, inpatient treatment, outpatient treatment, partial hospitalization, emergency care, consultation and education, and certain services at the option of the center including, but not limited to, prescreening, rehabilitation services, pre-care and aftercare, training programs, and research and evaluation.

"Consultation" means the act of providing information or technical assistance to a particular group or individual seeking resolution of specific problems. A documented process of interaction between staff members or between facility staff and unrelated individuals, groups, or agencies for the purpose of problem solving or enhancing their capacities to manage consumers or facilities.

SUBCHAPTER 5. ORGANIZATIONAL AND FACILITY MANAGEMENT

450:18-5-1. Purpose

The purpose of this subchapter is to set forth rules regulating program requirements, activities, and services which are not specific to levels of care.

450:18-5-2. Applicability

The rules set forth in this subchapter are applicable only to those facilities providing substance-related and addictive disorder treatment services.

450:18-5-2.1. Organizational and facility description [REVOKED]

450:18-5-2.2. Information analysis and planning [REVOKED]

450:18-5-2.3. Performance improvement program [REVOKED]

450:18-5-3. Physical facility environment and safety [REVOKED]

450:18-5-3.1 Hygiene and sanitation [REVOKED]

450:18-5-3.2 Standards for food service

The following shall be applicable to all residential facilities and to any outpatient facilities which provide an on-premise meal service.

- (1) Storage, preparation, dishwashing, and serving of food and ice shall be in compliance with the requirements of the OSDH regulations governing public feeding establishments.
- (2) Each facility shall have an annual inspection completed by the OSDH free from any pending violations.

450:18-5-3.3. Tobacco-free campus [REVOKED]

450:18-5-4. Dietetic services

- (a) Any facility which provides twenty-four (24) hour per day care shall have a written plan describing the organization and delivery of dietetic services (either directly or through contract) to meet the dietary needs of consumers.
- (b) Menus for meals provided by the facility shall be reviewed annually and as needed for consumer's with special dietary needs (diabetes, pregnancy, religious requirements, etc.). This review shall be made by an Oklahoma Registered Dietician. Approval of the review shall be documented by the dietician's signature, American Dietetic Association (AA) Registration Number (RD#), Oklahoma License Number (DL#), and date of the review.
- (c) Dietetic services, including health policy and procedures for food service staff, other staff, and consumers performing food service duties as a part of their treatment plan, shall be in compliance with all applicable federal, state, and local statutes and regulations, and shall be so noted in facility policy and procedure. All programs preparing meals provided to consumers shall document, on an annual basis, compliance with OSDH rules and regulations pertaining to kitchen facilities.
- (d) Food shall be served in an appetizing and attractive manner, at realistically planned mealtimes, and in a congenial and relaxed atmosphere.
- (e) Information pertinent to special dietetic needs of consumers shall be entered into the consumers' treatment records, and when medically indicated, forwarded to parties having permission to receive information regarding consumers' treatment.
- (f) Compliance with 450:18-5-4 may be determined by a review of the following:
 - (1) Facility policy and procedures;
 - (2) Written plan for dietetic services;
 - (3) Menus;
 - (4) Menu approvals;
 - (5) OSDH reports; and

(6) Any other supporting facility documentation.

450:18-5-5. Pharmacy services and medications

(a) Facilities providing pharmacy services either as a part of their regular business operation, through a sub-corporation, or other related business entity shall comply with all federal and state statutes and regulations regarding drugs and pharmacies, including, but not limited to, OAC, Title 535. Facility policy and procedure shall indicate such compliance.

(b) For services neither provided in a licensed hospital nor as a part of a licensed hospital's services, the facility shall have written policies and procedures including, but not limited to, the following:

(1) Staff not licensed to dispense or administer medication shall not dispense or administer medication;

(2) Medication shall not be withheld from a consumer for whom the medication was prescribed for non-medical reasons;

(3) Prescription medications shall be stored in a non-residential area under lock, with the exception of those medications which may be needed by a consumer on a medical emergency basis; and

(4) Staff shall keep a log of all self-administered medications (prescribed or over-the-counter).

(c) Compliance with 450:18-5-5 may be determined by a review of policy and procedure, consumer records, interviews with staff and consumers, and any other supporting facility documentation.

450:18-5-5.1. Medication assisted treatment

Providers of residential treatment, medically supervised withdrawal management, or halfway house services shall provide access to medication assisted treatment (MAT) medications to all consumers for whom MAT is determined to be appropriate. Access to MAT medications shall be provided either directly from the residential treatment, medically supervised withdrawal management, or halfway house provider; or provided through a formal agreement with a separate MAT provider.

450:18-5-6. Day school

(a) Facilities providing a day school (i.e., an academic formal educational program) either as a primary focus of their services or as an ancillary service, shall be in compliance with all applicable rules and regulations of the Oklahoma State Department of Education (OSDE) and of the local school district in which the day school is located.

(b) In addition, the facility shall provide the following documentation:

(1) Academic services provided are accredited by the local school district or the OSDE;

(2) All teachers shall have a valid license or certificate from the OSDE for the teaching position they are employed to fill;

(3) Therapeutic units are provided by staff trained in the issues of substance use disorders;

(4) Each student shall have a home school; and

(5) Each student shall have a daily activity schedule and individualized treatment plan based on assessment of need and formulated for both educational and therapy needs.

(c) Compliance with 450:18-5-6 may be determined by a review of facility policy and procedures, relevant personnel records, other facility supporting documentation, and interviews with staff and consumers .

450:18-5-7. Performance improvement program [REVOKED]

450:18-5-8. Critical incident reporting [REVOKED]

450:18-5-9. Mechanical restraints [REVOKED]

450:18-5-10. Community information, consultation, outreach, and street outreach [REVOKED]

450:18-5-11. Technology [REVOKED]

450:18-5-12. Americans with Disabilities Act of 1990 [REVOKED]

450:18-5-13. Human Immunodeficiency Virus (HIV), and Acquired Immunodeficiency Syndrome (AIDS) [REVOKED]

450:18-5-14. Non-medical withdrawal management

(a) Providers of residential treatment services (ASAM Level 3.3 and ASAM Level 3.5) shall provide non-medical withdrawal management as part of their regular service delivery program and facility environment.

(b) Non-medical withdrawal management shall be provided for intoxicated consumers and consumers withdrawing from alcohol and other drugs who present with no apparent medical or neurological symptoms as a result of their substance use disorder.

(c) The facility shall maintain written programmatic descriptions and policy and procedures addressing the following:

(1) Environment: The facility shall monitor and document vital signs, and food and liquids intake.

(2) Staff:

(A) Staff providing non-medical withdrawal management shall be knowledgeable about the physical signs of withdrawal, the taking of vital signs, the implication of those vital signs, and emergency procedures. Service providers shall be trained and competent to implement physician-approved protocols for consumer observation and supervision, determination of appropriate level of care, and facilitation of the consumer's transition to continuing care.

(B) The facility shall document in personnel records all education, training, and experience stated in (A) above prior to staff providing direct care services.

(3) Treatment services: Daily (twenty-four [24] hours a day, seven [7] days a week) substance use disorder withdrawal management treatment services shall be provided, to include oral intake of fluids, three (3) meals a day, and the taking of vital signs (temperature, pulse, respiration rate, blood pressure), and fluid and food intake a minimum of one (1) time every six (6) hours or more often as indicated by the

consumer's condition.

SUBCHAPTER 7. FACILITY CLINICAL RECORDS

PART 1. RECORD SYSTEM [REVOKED]

450:18-7-1. Purpose. [REVOKED]

450:18-7-1.1. Consumer record system [REVOKED]

450:18-7-2. Consumer records, basic requirements [REVOKED]

450:18-7-3. Confidentiality, substance abuse records [REVOKED]

450:18-7-3.1. Confidentiality of substance-related and addictive disorder treatment information [REVOKED]

450:18-7-4. Consumer record storage, retention, and disposition [REVOKED]

PART 3. SCREENING AND ASSESSMENT

450:18-7-21. Clinical record content, screening and assessment

(a) All facilities shall complete a face-to-face screening with each individual to determine appropriateness of further assessment.

(b) The facility shall maintain written screening policies and procedures that, at a minimum include: (1) how the screening is to be conducted; (2) that the screening conducted is an integrated screening to identify both immediate and ongoing needs, which includes screening for whether the consumer is a risk to self or others, including suicide risk factors; and (3) how the consumer is assisted with admission for services, and/or with accessing other appropriate services.

(c) All facilities shall assess each consumer for appropriateness of admission to the treatment program. Each presenting consumer for substance use disorder treatment shall be assessed, to determine a clinically appropriate placement in the least restrictive level of care. Facilities must ensure that a consumer's refusal of a particular service does not preclude the consumer from accessing other needed mental health or substance-related or addictive disorder treatment services. Should the service provider determine the consumer's needs cannot be met within the facility, clinical assessments and referrals for the consumer shall be documented.

(d) Any consumer seeking admission to inpatient or residential services, including medically-supervised withdrawal management, while under the influence or undergoing withdrawal of alcohol or drugs, shall be assessed prior to admission for medical needs. The written criteria to be used for medical needs assessment of persons under the influence or undergoing withdrawal of alcohol or drugs, and the protocols for determining when physician review of the assessment is needed, shall be approved by the facility's consulting physician.

(e) Compliance with 450:18-7-21 may be determined by a review of the following:

- (1) Policies and procedures;

- (2) Intake protocols;
- (3) assessment instruments;
- (4) Treatment records;
- (5) Interviews with staff and consumers; and
- (6) Other facility documentation.

450:18-7-22. Screening and assessment, process requirements

(a) Written policies and procedures governing the screening and assessment process shall specify the following:

- (1) The information to be obtained on all applicants or referrals for admission;
- (2) The procedures for accepting referrals from outside agencies or organizations;
- (3) The records to be kept on all applicants;
- (4) Any prospective consumer data to be recorded during the admission process; and
- (5) The procedures to be followed when an applicant or a referral is found ineligible for admission.

(b) Facilities shall have written policies and procedures for the purpose of admitting and assessing persons with special needs.

(c) Compliance with 450:18-7-22 may be determined by a review of the following:

- (1) Policies and procedures;
- (2) Admission protocols;
- (3) Screening and assessment instruments;
- (4) Treatment records;
- (5) Interviews with staff and consumers; and
- (6) Other facility documentation.

450:18-7-23. Biopsychsocial assessment

(a) All programs shall complete a biopsychsocial assessment that gathers sufficient information to assist the consumer in developing an individualized service plan and utilizes standardized tools such as the Addiction Severity Index (ASI) for adults or the Teen Addiction Severity Index (T-ASI) for adolescents. The assessment must also list the client's past and current psychiatric medications, if applicable. The assessment must be completed by a Licensed Behavioral Health Professional (LBHP) or Licensure Candidate. Licensure candidate signatures must be co-signed by a fully-licensed LBHP in good standing.

(b) Compliance with 450:18-7-23 may be determined by a review of the following:

- (1) Policy and procedures;
- (2) Biopsychsocial assessment instruments;
- (3) Consumer records;
- (4) Case management assessments;
- (5) Interviews with staff and consumers; and
- (6) Other facility documentation.

450:18-7-24. Biopsychsocial assessment, time frame [REVOKED]

450:18-7-25. Biopsychsocial assessments of children accompanying a parent into treatment [REVOKED]

450:18-7-26. Biopsychsocial assessments of children accompanying a parent into treatment, time frame [REVOKED]

450:18-7-27. Clinical record content, on-going assessment

(a) The facility shall have policies and procedures which delineate the process, protocols, and timeframes by which on-going clinical assessments occur.

(b) Compliance with 450:18-7-27 shall be determined by a review of the clinical records and agency policies and procedures.

PART 5. BIOPSYCHSOCIAL ASSESSMENT [REVOKED]

450:18-7-41. Biopsychsocial assessment [AMENDED AND RENUMBERED TO 450:18-7-23]

450:18-7-42. Biopsychsocial assessment, time frame [AMENDED AND RENUMBERED TO 450:18-7-24]

450:18-7-44. Biopsychsocial assessments of children accompanying a parent into treatment, time frame [AMENDED AND RENUMBERED TO 450:18-7-26]

PART 7. CASE MANAGEMENT

450:18-7-61. Case management services

(a) Case management efforts shall empower consumers to access and use needed services and meet self-determined goals. These services include resource skills development and consumer advocacy provided in various settings based on consumer need.

(b) As allowed per Title 43A O.S. Section 3-318, case management services shall be offered to all adults and children who have substance-related disorders, and to their family members, if applicable, to ensure access to needed services.

(c) Case management shall be co-occurring disorder capable.

(d) Case management services shall be planned referral, linkage, monitoring and support, and advocacy assistance provided in partnership with a consumer to support that consumer in self sufficiency and community tenure. Activities include:

(1) Completion of strengths based assessment for the purpose of individual plan of care development;

(2) Development of case management care plan which can be reflected as a part of the comprehensive service plan;

(3) Referral, linkage and advocacy to assist with gaining access to appropriate community resources;

(4) Contacts with other individuals and organizations that influence the recipient's relationship with the community, i.e., family members, law enforcement personnel, landlords, etc.;

(5) Monitoring and support related to the individual plan of care to reassess goals and objectives and assess progress and or barriers to progress;

(6) Follow-up contact with the consumer if they miss any scheduled appointments (including physician/medication, therapy, rehabilitation, or other supportive service appointments as delineated on the service plan); and

(7) Crisis diversion (unanticipated, unscheduled situation requiring supportive assistance, face-to-face or telephone, to resolve immediate problems before they become overwhelming and severely impair the individual's ability to function or maintain in the community) to assist consumer(s) from progression to a higher level of care.

(e) Compliance with 450:18-7-61 shall be determined by on-site observation and a review of the clinical records and written policies and procedures.

450:18-7-62. Case management services, locale, and frequency

(a) Case management services shall be provided within community settings; the residence of the consumer; or any other appropriate settings, based on the individual needs of the consumer. Contact with consumers shall be made on at least a monthly basis unless otherwise specified in the service plan.

(b) Compliance with 450:18-7-62 shall be determined by a review of the following: Case managers shall contact each consumer at least once a month, unless otherwise specified in the service plan, to monitor progress or provide case management services. Inability to make face-to-face contact shall be documented. Contact was made with consumers as specified in the service plan.

450:18-7-63. Case management services for consumers admitted to higher levels of care

(a) Case managers from the outpatient facilities to which the consumer will be discharged shall assist the consumer and withdrawal management/residential/halfway house facility, psychiatric inpatient unit, and/or CBSCC, with discharge planning for consumer returning to the community.

(b) Consumers discharging from a withdrawal management/residential/halfway house facility shall be offered case management and other supportive services. This shall occur as soon as possible, but shall be offered no later than one (1) week post-discharge.

(c) Compliance with 450:18-7-63 shall be determined by a review of the clinical records; staff interviews; and information from ODMHSAS withdrawal management/residential/halfway house facilities, operated psychiatric inpatient unit, and CBSCC facilities.

450:18-7-64. Case management services for consumers in detoxification, residential and halfway house setting [REVOKED]

450:18-7-65. Case management services, staff credentials

(a) Individuals providing case management services shall be an LBHP, Licensure

Candidate, CADC or certified as a behavioral health case manager pursuant to OAC, Title 450, Chapter 50.

(b) Compliance with 450:18-7-65 shall be determined by a review of the facility personnel records and credentialing files.

PART 9. SERVICE PLANNING

450:18-7-81. Service Plan

(a) A service plan shall be completed for each adult and child consumer, including dependent children receiving services from a residential or halfway house facility. The service plan is performed with the active participation of the consumer and a support person or advocate, if requested by the consumer. In the case of children under the age of sixteen (16), it is performed with the participation of the parent or guardian, if allowed by law, and the child as age and developmentally appropriate. The service plan shall provide the formation of measurable service objectives and reflect ongoing changes in goals and objectives based upon consumer's progress or preference or the identification of new needs, challenges, and problems. The service plan shall be completed by a LBHP or Licensure Candidate.

(b) The service plan is developed after and based on information obtained in the assessment and includes the evaluation of the assessment information by the clinician and the consumer.

(c) The service plan must have an overall general focus on recovery which, for adults, may include goals like employment, independent living, volunteer work, or training, and for children, may include areas like school and educational concerns and assisting the family in caring for the child in the least restrictive level of care.

(d) Service plan updates should occur at a minimum of every six (6) months while outpatient services are provided. Service plan updates shall occur at a minimum of once every thirty (30) days while halfway house, residential, or medically supervised withdrawal management services are provided.

(e) Service plans, both comprehensive and update, must include dated signatures of the consumer (if age fourteen [14] or older), the parent/guardian (if required by law), and the LBHP or Licensure Candidate. If a minor is eligible to self-consent to treatment pursuant to state law, a parent/guardian signature is not required. Licensure candidate signatures must be co-signed by a fully-licensed LBHP in good standing. Signatures must be obtained after the service plan is completed.

(f) Compliance with 450:18-7-81 shall be determined by a review of the clinical records, interviews with staff and consumers, and other facility documentation.

450:18-7-83. Treatment plans, review and update [REVOKED]

450:18-7-84. Service plans, medically supervised withdrawal management

(a) Medically supervised withdrawal management facilities shall complete medical service plans to address the medical stabilization treatment and service needs of each consumer within three (3) hours of admission. When necessary, medically supervised

withdrawal management service plans may be initiated by a licensed physician or licensed registered nursing staff.

- (b) Compliance with 450:18-7-84 may be determined by a review of the following:
 - (1) Policies and procedures;
 - (2) Treatment protocols;
 - (3) Clinical services manuals;
 - (4) Service plan forms;
 - (5) Consumer records;
 - (6) Interviews with staff and consumers; and
- (7) Other facility documentation.

PART 11. PROGRESS NOTES

450:18-7-101. Progress notes

- (a) Progress notes shall chronologically describe the services provided by date and, for timed treatment sessions, time of service, and the consumer's progress in treatment.
- (b) Progress notes must include the consumer's name, be signed by the service provider, and include the service provider's credentials.
- (c) Outpatient staff must document each visit or transaction, except for assessment completion or service plan development, including missed appointments.
- (d) Compliance with 450:18-7-101 may be determined by a review of the following:
 - (1) Policies and procedures;
 - (2) Consumer records;
 - (3) Progress notes;
 - (4) Interviews with staff; and
 - (5) Other facility documentation.

PART 13. DISCHARGE PLANNING

450:18-7-121. Discharge assessment

- (a) All facilities shall assess each consumer for appropriateness of discharge from a treatment program.
- (b) Compliance with 450:18-7-121 may be determined by a review of the following:
 - (1) Policies and procedures;
 - (2) Continuing care plans;
 - (3) Discharge assessments;
 - (4) Discharge summaries;
 - (5) Progress notes;
 - (6) Consumer records;
 - (7) Interviews with staff and consumers; and
 - (8) Other facility documentation.

450:18-7-122. Transition/discharge plan

- (a) The facility shall assist the consumer to obtain services that are needed, but not available within the facility, and/or in transitioning from one level of care to another, and/or discharging from a facility. Transition/discharge plans shall be developed with the knowledge and cooperation of the consumer.

(b) A written plan of recommendations and specific referrals for implementation of continuing care services, including medications, shall be prepared for each consumer. Development of the transition/discharge plan shall begin no later than two (2) weeks after admission into residential/inpatient level of care (ASAM Level 3) service settings.

(c) The transition/discharge plan shall be included in the discharge summary.

(d) Compliance with 450:18-7-122 may be determined by a review of the following:

- (1) Policies and procedures;
- (2) Continuing care plans;
- (3) Discharge assessments;
- (4) Discharge summaries;
- (5) Progress notes;
- (6) Consumer records;
- (7) Interviews with staff and consumers; and
- (8) Other facility information.

SUBCHAPTER 17. CERTIFICATE OF NEED

450:18-17-1. Purpose

The purpose of this Subchapter is to set forth rules regulating Certificate of Need requirements for applicable facilities.

450:18-17-2. Applicability

The rules set forth in this Subchapter are applicable only to facilities that seek to obtain initial certification under this Chapter for residential substance use disorder services, medically supervised withdrawal management services, or halfway house services and that intend to enroll with the Oklahoma Health Care Authority as a Medicaid provider.

450:18-17-3. Certificate of Need requirements

(a) Facilities seeking initial certification for residential substance use disorder services, medically supervised withdrawal management services, or halfway house services that intend to enroll with the Oklahoma Health Care Authority shall be subject to a Certificate

of Need evaluation completed by the Department. Such facilities will be required to provide a Certificate of Need from the Department to the Oklahoma Health Care Authority upon enrollment as a Medicaid provider, in accordance with OAC 317:30-5-95.44(a)(3). In addition to the standard certification application, entities shall provide information requested by the Department on the Department-prescribed form. Such information shall include, but not be limited to, the following:

- (1) Number of beds that are/will be in the facility;
- (2) Number of beds that will be added, if any;
- (3) Timeframe for the addition of new beds;
- (4) Population(s) that will be served; and
- (5) Type(s) of services that will be provided.

(b) The following factors shall be considered in determining whether a Certificate of Need shall be granted:

- (1) Residential substance use disorder, medically supervised withdrawal management, and/or halfway house bed occupancy rates for the applicable population and geographic area;
- (2) Residential substance use disorder, medically supervised withdrawal management, and/or halfway house bed occupancy rates for Medicaid beneficiaries within the geographic area;
- (3) The estimated need that the population to be served has for the services proposed by the entity based on the following:
 - (A) Current population estimates and demographics;
 - (B) Population trends or projections; and
 - (C) Substance use disorder service utilization trends
- (4) The type and number of residential substance use disorder, medically supervised withdrawal management, and/or halfway house providers in the same geographic area; and
- (5) Any extenuating circumstances or factors the Department considers substantial, such as anticipated increases in the need or demand for residential substance use disorder, medically supervised withdrawal management, or halfway house services.

(c) If the Department determines that, based upon these factors, a need for an additional residential substance use disorder, medically supervised withdrawal management, or halfway house facility and associated number of beds cannot be demonstrated, a Certificate of Need shall not be issued to the facility.

(d) Failure of a facility to obtain a Certificate of Need shall not prohibit the facility from obtaining certification from the Department.
