Subject: Adoption of the Public Rights-of-Way Accessibility Guidelines (PROWAG)

In the Department's efforts to comply with the Americans with Disabilities Act for projects and activities occurring within the public rights-of-way, *effective May 10, 2012*, all concerned personnel will utilize the most current version of the Public Rights-of-Way Accessibility Guidelines (PROWAG) as a guide and primary reference. These guidelines will be used in lieu of the ADA Accessibility Guidelines (ADAAG).

The PROWAG is currently in draft form. This directive adopts the PROWAG, as existing. Once the PROWAG has been approved, the approved guidelines will automatically go into effect as the adopted final version.
