 Public Meeting for
 SH-85A in Delaware
 County, OK

THE OKLAHOMA DEPARTMENT OF TRANSPORTATION

PUBLIC MEETING

January 26th, 2016

6:00 p.m.

DESCRIPTION

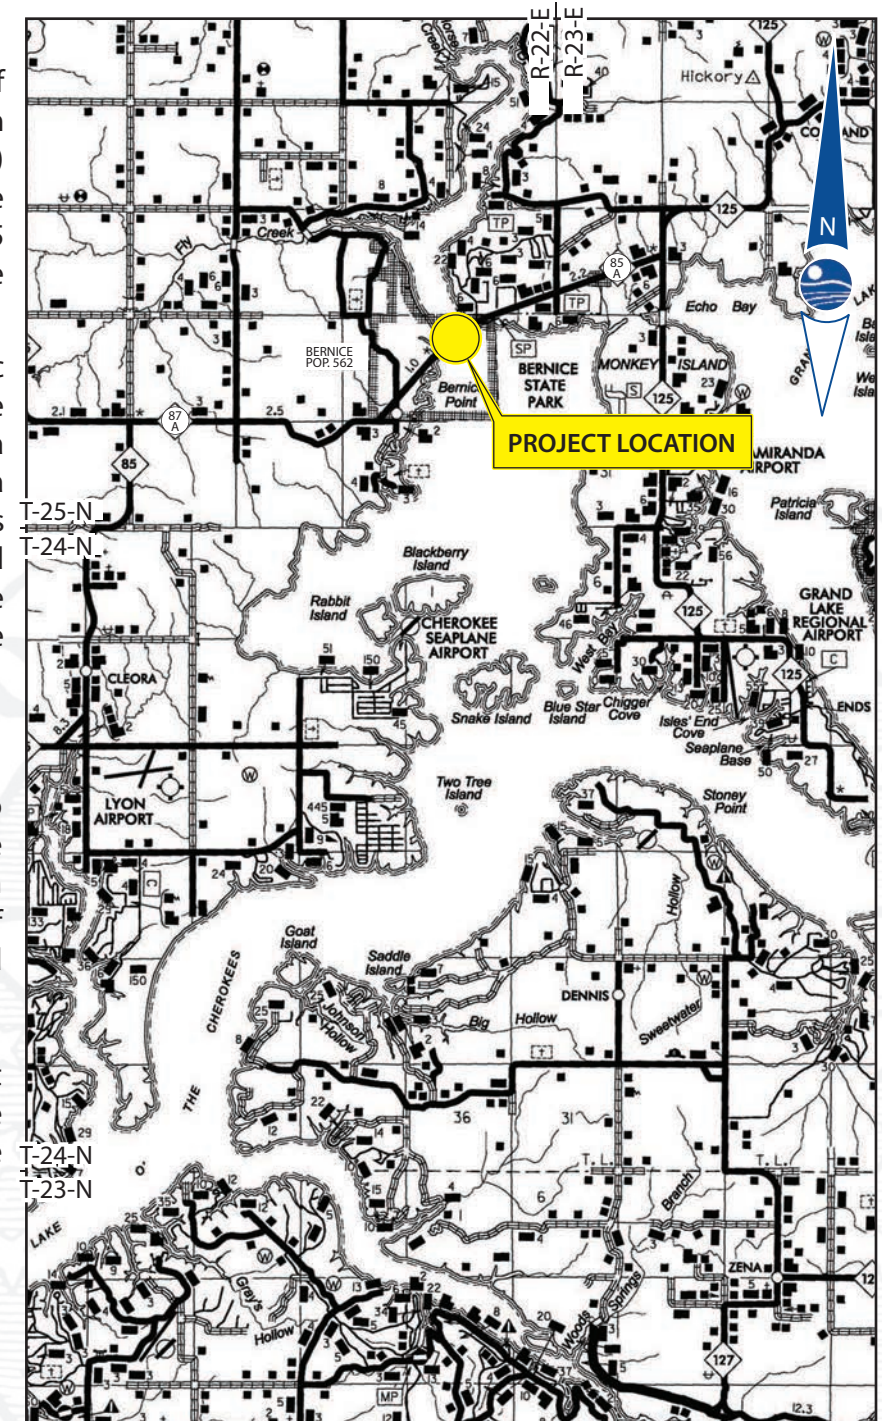

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to replace the existing bridge over Horse Creek on SH-85A, located 3.5 miles east of the SH-85 junction in the Town of Bernice in Delaware County.

As part of our efforts to keep the public informed of this project and involved in the decision process, ODOT has scheduled a public meeting. The meeting will include a presentation about why the improvements are needed, the alternatives considered including the proposed design alternative and expected impacts to motorists and the surrounding community.

PURPOSE

The purpose of the meeting is to present the proposed design to the public and obtain input to aid ODOT in moving forward with the completion of the environmental studies, design, and subsequent construction.

The purpose of the project is to correct a structurally deficient bridge over Horse Creek located within the Grand Lake O' the Cherokees.

- GET INVOLVED -

If you have any questions or comments about the Oklahoma Department of Transportation's proposed projects, please visit our new ODOT website at www.odot.org/publicmeetings to fill out an official comment form, send an e-mail to odot-environment@odot.org, or send a letter to:
