## **EXECUTIVE INTRODUCTION**

The mission of the Oklahoma Department of Transportation is to provide a safe, economical and effective transportation network for the people, commerce and communities of Oklahoma.

The Oklahoma Department of Transportation Commission develops a Statewide Intermodal Transportation Plan and a Transportation Improvement Program for all areas of the state. The plan and program facilitate the development, management and operation of safe transportation systems. The Commission is authorized by statute to apply for and administer federal funds available for transportation.

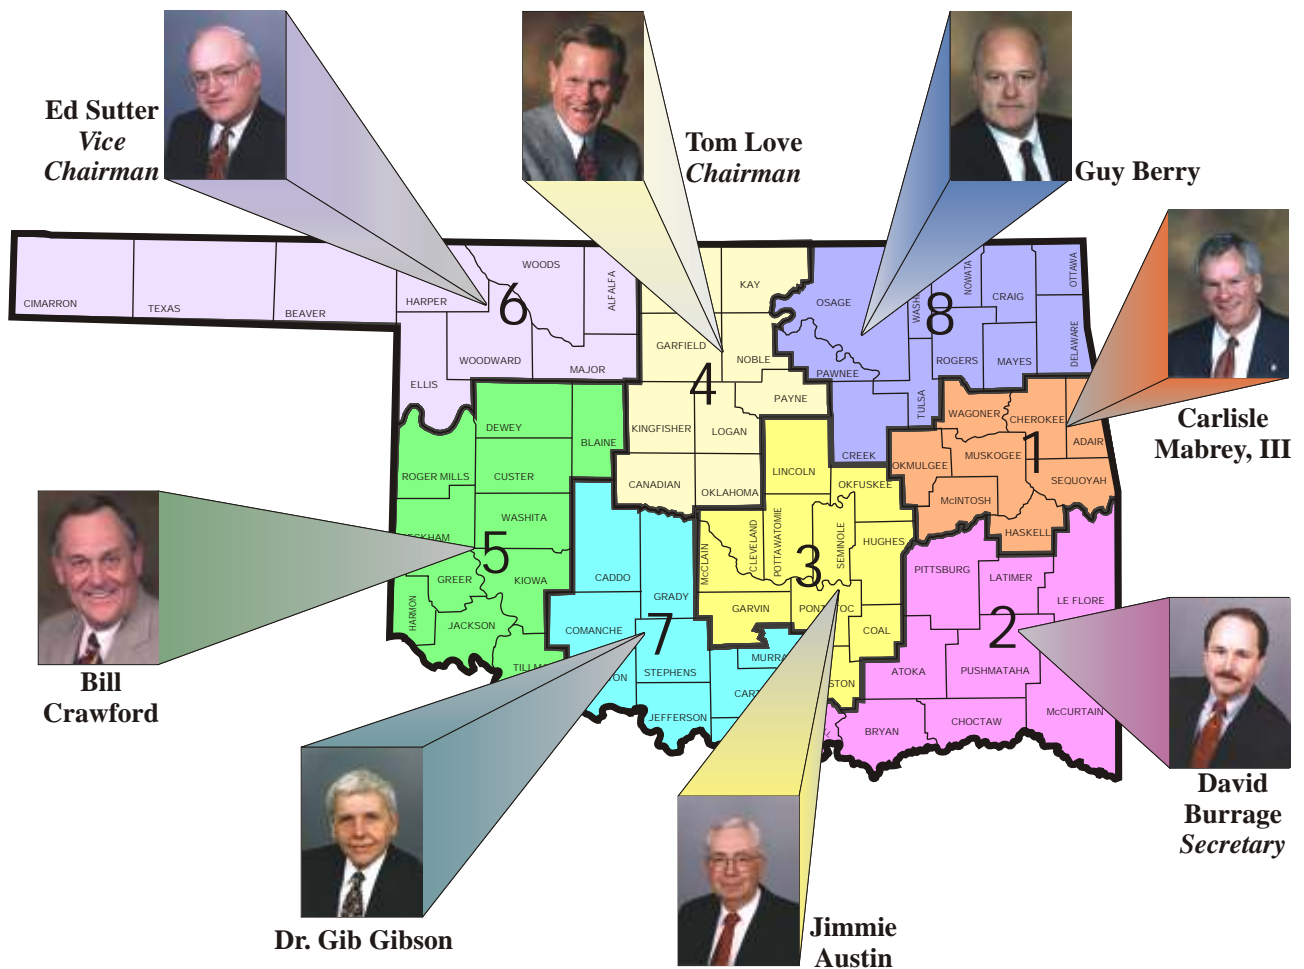

The Commission would like to thank all citizens, federal agencies, elected and appointed officials, Indian Tribal Governments, Metropolitan Planning Organizations and transportation users for their time and effort in providing input for this program.

## WHAT IS THE STIP

The Statewide Transportation Improvement Program (STIP) is a financially constrained program which details the utilization of Oklahoma's federal and state transportation funds appropriated for regionally significant projects requiring federal action. It includes a list of priority transportation projects to be carried out in a three (3) year period. The purpose of the STIP is to educate the public on future transportation projects and to assure that federal funds are spent on projects selected from approved long range plans.

This STIP was developed under the guidelines provided by the Transportation Equity Act for the 21<sup>st</sup> Century (TEA 21), passed by Congress in 1998. The purpose of TEA-21 is to build on initiatives established in the Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA). The new act combines the continuation and improvement of current programs with new initiatives to meet the challenges of improving safety as traffic volumes continue to increase.

The Oklahoma Department of Transportation is committed to a statewide system integrating all transportation modes and the STIP assists in achieving a system that provides for the safe and efficient movement of people and products.

## **SECTION ONE: FFY 2003 - 2005**

### **STATE PROGRAM**

The **STIP** contains three (3) years (2003 - 2005) of programmed State Highway, Federal-Aid County, Urban and Metropolitan projects. Projects are programmed by the Federal Fiscal Year which runs from October 1 through September 30 of each year. Funding for projects is dependent upon the continued federal funding made available through the Federal Highway Administration and the Federal Transit Administration. If federal funding received from these agencies varies from original estimates, the number of projects included in any one year will be revised accordingly.

## **SECTION TWO: METROPOLITAN PLANNING ORGANIZATION PROGRAMS**

ISTEA and TEA - 21 emphasize the coordination between the State and the Metropolitan Planning Organizations (MPOs). These Acts require a Transportation Improvement Program (TIP) for each metropolitan area exceeding 50,000 population. TIPs are developed by MPOs, designated by the governor, and dictate priorities for each individual metropolitan area. These TIPs are included without modification in the STIP.

The Department partners with the state's three major MPO areas (Oklahoma City, Tulsa and Lawton) to ensure consistency between the TIPs and the STIP. These ongoing partnerships strengthen the working relationships between the Department and the MPOs in their day-to-day planning activities.

## **METROPOLITAN PLANNING ORGANIZATIONS (MPO)**

### **Association of Central Oklahoma Governments (ACOG)**

**Zach D. Taylor, Executive Director**

**21 East Main, Suite 100**

**Oklahoma City, Oklahoma 73104**

**Fax: (405) 234-2200 Telephone:(405) 234-2264**

The transportation planning boundary, known as the Oklahoma City Area Transportation Study (OCARTS), includes all of Oklahoma and Cleveland Counties and portions of Canadian, Grady, Logan and McClain Counties.

### **Indian Nations Council of Governments (INCOG)**

**Jerry Lasker, Executive Director**

**201 West Fifth Street, Suite 600**

**Tulsa, Oklahoma 74103-4236**

**Fax:(918) 583-1024 Telephone:(918) 584-7526**

The transportation planning boundary includes Tulsa County and portions of Creek, Osage, Rogers and Wagoner Counties.

### **Lawton Metropolitan Area Planning Commission (LMAPC)**

**David Means, Chairman**

**103 Southwest 4<sup>th</sup> Street**

**Lawton, Oklahoma 73501-4078**

**Fax:(580) 581-3378 Telephone:(580) 581-3540**

The transportation planning boundary includes the Lawton city limits and three miles adjacent to it excluding Fort Sill.

**ASSOCIATION OF CENTRAL OKLAHOMA  
GOVERNMENTS**

**INDIAN NATIONS COUNCIL  
OF GOVERNMENTS**

**LAWTON**

## **SECTION THREE: INDIAN RESERVATION ROADS PROGRAM**

ISTEA and TEA-21 placed special emphasis on the development of transportation planning procedures consistent with the metropolitan and statewide planning process for roads funded under the Federal Lands Highway Program (FLHP). The Indian Reservation Roads (IRR) Program is one of the transportation activities which is funded by the FLHP. The IRR Program funds are allocated to the Bureau of Indian Affairs (BIA) for the construction and improvement of roads, bridges and transit facilities leading to, and within, Indian reservations or other Indian lands. The funds are distributed based on relative need following the approval of the IRR TIP.

The IRR TIP is a prioritized list (by year) of projects selected by Indian Tribal Governments from tribal TIPs. The BIA receives a tribal TIP from each Indian Tribal Government and places the IRR projects into the IRR TIP. If an IRR project lies within a metropolitan area, it must be included in the MPO TIP. The IRR TIP is included in the STIP without modification.

In Oklahoma, the Indian Tribal Governments, Bureau of Indian Affairs, State and MPOs keep an open channel of communication and are partners in the transportation planning and decision-making process.

## **SECTION FOUR: THE PROCESS**

The State of Oklahoma, as well as MPOs and Indian Tribal Governments, is proactive in fostering and assuring a full and open access public involvement process when developing the STIP and TIPs. Timely, accurate and complete information about transportation issues and processes is made available to the public through notices and by providing public access to the preliminary documents. Citizens are provided the opportunity and are encouraged to review and comment during the initial development phase and on major revisions.

The following section includes public comments, Certification and the adopted STIP and TIP Development/Amendment Process. This process, agreed to by the state, FHWA, FTA and MPOs, is designed to ensure consistency and cooperation in developing Oklahoma's transportation system.

**PROCEDURES FOR DEVELOPING AND AMENDING  
THE OKLAHOMA STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM  
AND THE  
OKLAHOMA METROPOLITAN PLANNING ORGANIZATIONS  
TRANSPORTATION IMPROVEMENT PROGRAMS**

Section 1203(h) of the Transportation Equity Act for the 21<sup>st</sup> Century (TEA-21) requires, “The Metropolitan Planning Organization designated for a metropolitan area, in cooperation with the State and any affected transit operator, shall develop a transportation improvement program for the area for which the organization is designated.” In addition, Section 1204(f) of TEA-21 requires that, “Each State shall develop a transportation Improvement program for all areas of the State. With respect to each metropolitan area in the State, the program shall be developed in cooperation with the metropolitan planning organization (MPO) designated for the metropolitan area under section 134 of this title and section 5303 of title 49.” In accordance with these requirements, the Oklahoma Department of Transportation in cooperation with the Association of Central Oklahoma Governments (ACOG), Indian Nations Council of Governments (INCOG), Lawton Metropolitan Area Planning Commission (LMAPC), Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA), has developed the following procedures and deadlines for coordinating and approving the Statewide Transportation Improvement Program (STIP) and the Transportation Improvement Programs (TIP).

**STIP AND TIP DEVELOPMENT PROCEDURES AND DEADLINES**

NO.	PROCEDURE	DEADLINE
(1)	The Metropolitan Planning Organization (MPO) will begin preparation of a 3-year TIP and the Oklahoma Department of Transportation (ODOT) will begin the preparation of the 3-year STIP. These documents will be updated biennially. All projects within the boundaries of a Transportation Management Area (TMA) with Federal participation, excluding projects undertaken on the National Highway System and pursuant to the Bridge and Interstate Maintenance programs, will be selected by the MPO designated for such area in consultation with the State and in conformance with the approved Long Range Plan for such area. Projects undertaken on the National Highway System or pursuant to the Bridge and Interstate Maintenance programs, will be selected by the State in cooperation with the Metropolitan Planning Organization. In areas of the state not covered by an MPO, all projects in the STIP will be selected by the State in cooperation with the affected local officials.	<b>OCTOBER 1</b>

NO.	PROCEDURE	DEADLINE
(2)	The Oklahoma Department of Transportation will request the Federal Highway Administration to provide a list of Indian Reservation Roads (IRR) to be included in the three (3) year STIP and TIP.	<b>OCTOBER 15</b>
(3)	The Federal Highway Administration will provide ODOT, and ODOT will provide ACOG, INCOG, and LMAPC with an estimate of anticipated apportionments and obligation authority to be used for preparing the three (3) year STIP and TIPs. If ODOT plans to reduce or increase any fiscal year obligation authority to an MPO above or below the annual ratio established by the total obligational authority and apportionments distributed to the State as a whole, ODOT will advise the Federal Highway Administration and the MPOs so they can establish the funding limitations for each year of the STIP and TIP.	<b>NOVEMBER 1</b>
(4)	The Federal Highway Administration will provide ODOT with a current list of Indian Reservation Roads (IRR) and the Federal Transit Administration will provide ODOT with a list of all Transit Programs and Funds to be included in each fiscal year of the STIP and TIP.	<b>DECEMBER 30</b>
(5)	Each Federal Fiscal Year when the biennial STIP and TIPs are being prepared ODOT will provide the MPOs with a list of all Federal Funded Indian Reservation Roads, Forest Highway, Public Lands, Railroad, County Roads, City Streets, City Bridges, Highway, Enhancement projects and FTA Section 5303 funds available to be included in the TIPs for ACOG, INCOG and LMAPC areas.	<b>JANUARY 15</b>
(6)	If there is a conflict(s) or problem(s) with any of the projects ODOT submits to the MPO for inclusion in their TIP, the MPO, within forty-five (45) calendar days, will provide a written response to ODOT indicating the conflict(s) or problem(s) and the action the MPO deems necessary to correct the conflict(s) or problems(s).	<b>FEBRUARY 28</b>
(7)	After the conflict(s) or problem(s) is resolved the project(s) will be included in the Preliminary TIP or other appropriate action taken.	<b>MARCH 1</b>
(8)	Each MPO will provide ODOT a copy of their Preliminary TIP for review and comments prior to public distribution.	<b>MARCH 7</b>

NO	PROCEDURE	DEADLINE
(9)	If there is a conflict(s) or problems(s), ODOT will provide a written response to the MPO within fifteen (15) calendar days indicating the specific problem(s) and what action ODOT believes is necessary to correct the Preliminary TIP.	<b>MARCH 21</b>
(10)	After all conflict(s) or problem(s) are resolved the Preliminary TIP will be distributed by the MPO for public review and comments in accordance with Section 1203 (h) (4) of TEA-21. A minimum of twenty-one (21) days, from date of first publication, will be provided for public review and comments. All substantive comment(s) and appropriate responses will be included in the Final TIP.	<b>APRIL 1</b>
(11)	A copy of the Final TIP will be provided to the Governor's Designee (ODOT) for review and approval no later than <b>MAY 1</b> . ODOT will provide the MPO written notification approving the Final TIP and the document will then be included in the STIP without modification.	<b>MAY 1</b>
(12)	ODOT will complete the Preliminary STIP and include all Federal-Aid projects proposed for funding under Title 23 and the Federal Transit Act.	<b>JUNE 15</b>
(13)	The Preliminary STIP will be presented to the Oklahoma Transportation Commission (OTC) for approval to distribute the STIP and approved TIPs for public review and comments.	<b>JULY OTC MEETING</b>
(14)	The Preliminary STIP will be distributed to Federal, State and local Government agencies, Indian Tribal Governments, the MPOs, representatives of transportation employees and the public for review and comments.	<b>JULY 7</b>
(15)	After reviewing the Preliminary STIP, the MPO will provide written notification of its action on the document to ODOT.	<b>AUGUST 15</b>
(16)	All written substantive comments received on the Preliminary STIP will be addressed and included in the Final STIP for presentation to the Oklahoma Transportation Commission for approval. The Final STIP, including the TIPs, will then be forwarded to the Federal Highway and Federal Transit Administrations for formal approval prior to October 1.	<b>SEPTEMBER OTC MEETING</b>
(17)	After Federal Highway and Federal Transit Administrations approve the Final Statewide Transportation Improvement Program (STIP), it will be distributed Statewide.	<b>OCTOBER 1</b>

## STIP AND TIP AMENDMENT PROCEDURES

(1)	<p>When the MPO has approved an amendment to their TIP, a copy of the amendment will be forwarded to ODOT for approval, as the Governor's Designee, and addition to the STIP. The MPO will be responsible for advertising their amendments and providing an opportunity for public review and comment in accordance with Section 1203 (h)(4) of TEA-21 and their applicable Public Involvement Process. The public notice must allow a minimum of 14 days from first date of publication for public review and comment. All substantive comments received by MPO and any subsequent responses to those comments should be attached to the amendment request for ODOT's information and use.</p>
(2)	<p>If there is a conflict(s) with the MPO amendment request, ODOT will provide within 15 calendar days, a written response indicating the problem and what action is deemed necessary to correct the problem. When the conflict(s) has been resolved, ODOT will provide the MPO written approval of the amendment. ODOT will then amend the STIP to include the requested change(s) and notify the Federal Highway and Federal Transit Administrations of the amendment(s).</p>
(3)	<p>When the Oklahoma Transportation Commission approves a Federal funded project(s) on the State Highway System and adds it to a currently approved STIP, ODOT will be responsible for advertising the project for public review in accordance with Section 1204(f) of TEA-21. If the Transportation Commission approves a County Road, County Bridge, City Street, City Bridge or other Local Government entity sponsored project, the sponsoring local governmental entity will be responsible for advertising the project as an addition to the STIP. The public notice will allow a minimum of 14 days from first date of publication for public review and comment.</p>
(4)	<p>If ODOT amends the STIP to include a project(s) within the ACOG or INCOG Transportation Management Area (TMA) or the LMAPC metropolitan area, ODOT will make a written request to amend the TIP. ODOT will provide the MPO with copies of the public notice, all substantive comments received on the notice and any responses made by ODOT regarding the comments received.</p>
(5)	<p>If the MPO determines there is a conflict(s) with the requested TIP amendment, the MPO will notify ODOT in writing within 15 calendar days of receiving the amendment indicating the problem(s) and what action they feel is necessary to correct the problem(s). When the conflict(s) is resolved, the MPO will amend their TIP and provide ODOT with written approval of the amendment.</p>
(6)	<p>After ODOT and the MPO have formally approved an amendment to add a project(s) to a TIP and STIP, ODOT will notify the Federal Highway and Federal Transit Administration regarding the amendment(s). Projects within any year of the current 3 year STIP can be moved to any other year without requiring a formal amendment.</p>

**APPROVAL OF PROCEDURES AND DEADLINES  
FOR DEVELOPING  
AND AMENDING THE STIP AND TIP**

In order to develop or amend the Transportation Improvement Program for the three Metropolitan areas and the Statewide Transportation Improvement Program for the State of Oklahoma, these procedures have been prepared by the Oklahoma Department of Transportation in cooperation with the Association of Central Oklahoma Governments, Indian Nations Council of Governments, Lawton Metropolitan Area Planning Commission, Federal Highway Administration and Federal Transit Administration. Each Metropolitan Planning Organization will be responsible for completing and amending their Transportation Improvement Program in accordance with these procedures. The Oklahoma Department of Transportation will then be responsible for developing and amending the Statewide Transportation Improvement Program and for coordinating these efforts with the Federal Highway and Federal Transit Administration. Any changes to specific items or deadlines presented in this procedural guide will require formal approval of the undersigned agencies and MPOs.

We, the undersigned, approve these procedures and deadlines for developing and amending the STIP and TIP. These revised procedures will become effective March 1, 2000.

# **Joint Memorandum**

**CERTIFICATION**  
STATEWIDE TRANSPORTATION IMPROVEMENT PROGRAM  
FEDERAL FISCAL YEARS 2003-2004-2005

In accordance with 23 CFR 450.220, the Oklahoma Department of Transportation hereby certifies that the transportation planning process is being carried out in accordance with the following requirements:

- ▶ Title 49 U.S.C., Section 5323(k) and 23 U.S.C. 135 and CFR part 450.220;
- ▶ Title IV of the Civil Rights Act of 1964 and Title VI Assurance executed by each State under 23 U.S.C. 324 and 29 U.S.C. 794;
- ▶ Section 1101 (b) of the Transportation Equity Act for the 21<sup>st</sup> Century regarding the involvement of Disadvantage Business Enterprises in Federal Highway Administration and Federal Transit Administration funded projects;
- ▶ Provisions of the Americans with Disabilities Act of 1990 and the U.S. DOT implementing regulation;
- ▶ Provision of 49 CFR Part 20 regarding restrictions on influencing certain federal activities.

In addition to these certifications, 23 CFR Section 450.216 describes a number of requirements that the Oklahoma Department of Transportation ensures are met with submission of the Statewide Transportation Improvement Program (STIP). These requirements are as follows:

- ▶ Public involvement was provided for in the development of the FFY 2003-2005 STIP as required by 23 CFR Section 450.212;
- ▶ The Transportation Improvement Programs for Oklahoma's three metropolitan planning areas (Oklahoma City, Tulsa and Lawton) are included without modification and have been approved by the Governor or his designee;
- ▶ The STIP contains only projects which are consistent with the Oklahoma Statewide Intermodal Transportation Plan;
- ▶ The STIP is financially constrained during each fiscal year;
- ▶ The STIP includes a list of priority projects to be carried out each year;
- ▶ The STIP includes all regionally significant transportation projects requiring action by the Federal Highway Administration or Federal Transit Administration.
