

Grant Funds and Sources and Uses of Funds

The cost of the project will be \$600,000. ODOT is requesting a \$500,000 grant, \$40,000 Other Federal (NHPP), and ODOT will provide the \$60,000 match using State funds. This funding has been allocated and is available upon award of the BIP Planning grant funding. There are no other participating parties in this project and no other federal funding will be used.

BIP Planning Grant Funds	Other Federal Funds	State Funds	Total Project Cost
\$500,000	\$40,000	\$60,000	\$600,000
