RE: Rebuilding American Infrastructure with Sustainability and Equity (RAISE) funding for the SH-37 BNSF Railroad Crossing Project

Honorable Secretary Buttigieg:

On behalf of the City of Moore, OK I am writing to voice our organization's strong support of the Oklahoma Department of Transportation's (ODOT) application for a Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant to assist with the SH-37 BNSF Railroad Crossing Project. The proposed improvements to the SH-37 BNSF Railroad Crossing are both necessary and urgent to provide for motorist safety, better facilitate traffic and improve freight movement and to meet the strategic goals of both ODOT and the region.

The City of Moore strongly supports the SH-37 BNSF Railroad Crossing Project for its vital contribution to the region, state, and nation. The proposed project supports a network that is critical to Oklahoma's economy and freight movement. We strongly urge your support of full funding for the project. Thank you for your consideration and please feel free to call on us should you have questions or if you require additional information.

Sincerely,

Kim Brown  
President/CEO
