### Land of Magic in Motion

The long-awaited Oklahoma City Streetcar opened to eager passengers with much fanfare in December 2018. This is the first time since the 1940s that Oklahoma's largest city has had a streetcar service.

The electric streetcar runs on a nearly five-mile rail system that includes two loops serving 22 stops. Attractions along the route include the Chesapeake Energy Arena, Chickasaw Bricktown Ballpark, Scissortail Park and Oklahoma City National Memorial and Museum.
