

Bylines of P.O. boxes reminiscent of U.S. Air Force Officers

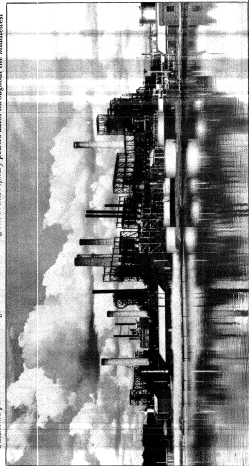

"Stand on the hoof"—Oklahoma's livestock industry is developing

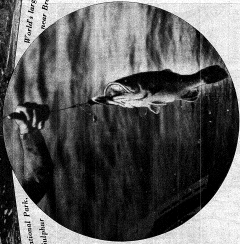

The "white" of the border is every man in Oklahoma farms

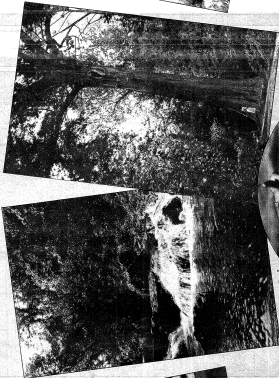

Take in Abasco—panoramic photographs from the crest are U.S. 22 in the Hockley mountains

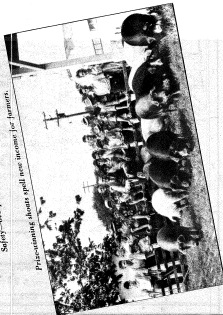

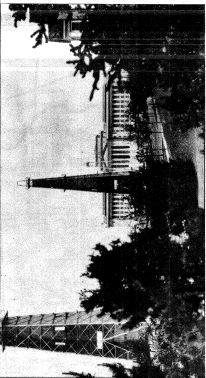

Oklahoma petroleum converted into gasoline and lubricating oils in this refinery powers auto throughout the midland

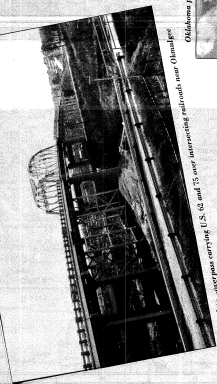

In Platt National Park, World's largest speckled water Snakehead

Symbols of Oklahoma's petroleum industry—the Crater in the midland setting of oil districts

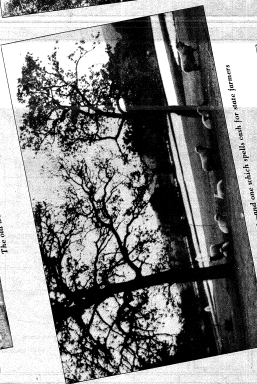

Safety for farmers—oil and gas pipelines are built to carry oil and gas

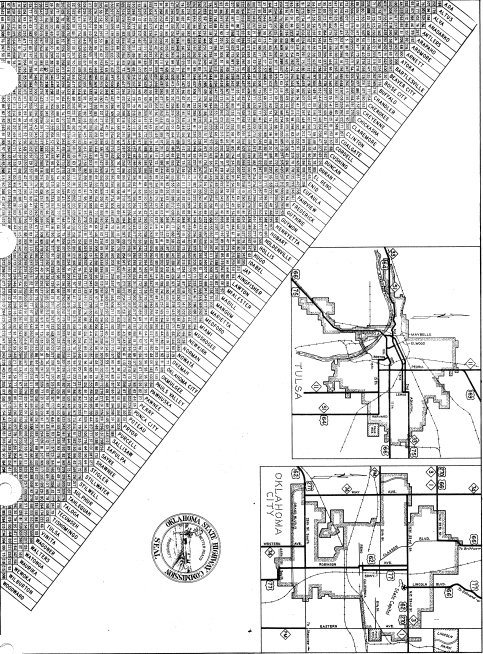

Oil and gas pipelines are built to carry oil and gas

A paved road—oil and gas pipelines are built to carry oil and gas

Control that is with state and for the U.S.

OFFICIAL  
STATE HIGHWAY MAP  
OF  
OKLAHOMA  
APRIL, 1939

LEON C. PHILLIPS  
Commissioner

DESIGNED BY THE HIGHWAY COMMISSION  
OKLAHOMA STATE HIGHWAY COMMISSION  
OKLAHOMA CITY, OKLAHOMA
