Oklahoma City, OK 73105

OPEN HOUSE

Date:
May 7th, 2015

Time:
5:00 PM - 7:00 PM

Place:
Latta School Cafeteria
13925 County Road 1560
Ada, OK 74820

OPEN HOUSE

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA), is proposing to widen State Highway SH-1 from two to four lanes starting from the existing 4 lane section 1.5 miles south of SH-3 and extending north to the SH-3 interchange. Existing SH-1 is a two lane highway with 10 feet wide shoulders. There are several intersections with high accidents within this extent. The current and projected traffic on the highway warrants four lanes. The purpose of the project is to improve the capacity and safety of the highway.

An Open House is being held to present the project information. **The Open House will use a come-and-go format; no formal presentation will be given so you can attend at your convenience.** The purpose of the Open House is to solicit public input for the proposed changes to SH-1 for further consideration.

Should you have any questions regarding the project, please contact Mr. Geoff Canty, [CC Environmental](mailto:geoff@ccenviro.net) at (405) 761-1225, geoff@ccenviro.net or Mr. Robert Payao, [ODOT Environmental Project Manager](mailto:rpayao@odot.org) at (405) 521-2312, or rpayao@odot.org

If you require special accommodations for the meeting, please direct your request to Mr. Frank Roesler III, [ODOT Public Involvement Officer](mailto:m-coordinator@odot.org), at 200 NE 21st Street, Oklahoma City, OK 73105, (405) 521-2350 or m-coordinator@odot.org, at least three (3) working days in advance of the meeting date.

WE LOOK FORWARD TO SEEING YOU THERE
