OPEN HOUSE US-183/270

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve US-183/270 from approximately 10.5 miles southeast of SH-50, extending southeast 8 miles to the Major County Line in Woodward County.

As part of our efforts to keep the public informed of this project and involved in the decision process, ODOT has scheduled a Public Open House to update the public on the continued transportation improvements along the US-183/270 highway corridor in Woodward County and to present the proposed design for this highway segment that was included in the environmental document for US-183/270 completed in 1998. The Open House will use a come-and-go format; no formal presentation will be given so you can attend at your convenience.

Additional information about the project and the upcoming meeting can be obtained from Ron McDaniel, [ODOT Division 6 Engineer](#), at (580) 735-2561 or rmcdaniel@odot.org.

ODOT ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. If any interested individual has a disability that may require accommodation to participate in this meeting, please contact [ODOT ADA Coordinator](#) at (405) 522-3626. Upon advance notification of the need for accommodation, reasonable arrangements will be made to provide accessibility to the meeting.

WE LOOK FORWARD TO SEEING YOU THERE
