OPEN HOUSE

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA), is proposing to improve State Highway 66 (SH-66) west of Wellston in Lincoln County. The project extends from the Oklahoma County line extending east approximately 3.25 miles to SH-102 at Wellston. The proposed project would also eliminate the connection at SH-66B/SH-66, removing that portion of SH-66B extending east to County Road 332 and constructing a new SH-66B on County Road 332 to connect with SH-102.

As part of our efforts to keep the public informed of this project and involved in the decision process, ODOT has scheduled a Public Open House to update the public on this project and present the proposed design for this project including the proposed access modification at SH-66/SH-66B. The Open House will use a come-and-go format; no formal presentation will be given so you can attend at your convenience.

Additional information about the project and the upcoming open house can be obtained from **Scott Stegmann**, CP&Y, Inc. at (405) 835-2836, or sstegmann@cpyi.com or **Robert Payao**, ODOT Environmental Project Manager, at 200 NE 21st Street, Oklahoma City, OK, 73105, (405) 521-2312, or rpayao@odot.org.

ODOT ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. If any interested individual has a disability that may require accommodation to participate in this meeting, please contact **ODOT ADA Coordinator** at (405) 522-3626. Upon advance notification of the need for accommodation, reasonable arrangements will be made to provide accessibility to the meeting.

WE LOOK FORWARD TO SEEING YOU THERE
