North Logan Avenue
Boise City, OK 73933

PROJECT

The Oklahoma Department of Transportation (ODOT) is scheduled to reconstruct US-385 around the Boise City Square and extending north 0.7 miles along Cimarron Avenue. This project will consist of full replacement of the current pavement, improve drainage, replacing the existing water and sewer lines, and provide for pedestrian access to the inner square. The project will also provide for proper turning movements through the square for large vehicles, while providing added protection for parked vehicles and pedestrians. This investment in Boise City reflects ODOT's commitment to improvements of US-385 and the City of Boise City.

PURPOSE OF OPEN HOUSE

The purpose of this open house is to present the scheduled improvements and answer questions regarding construction sequence.

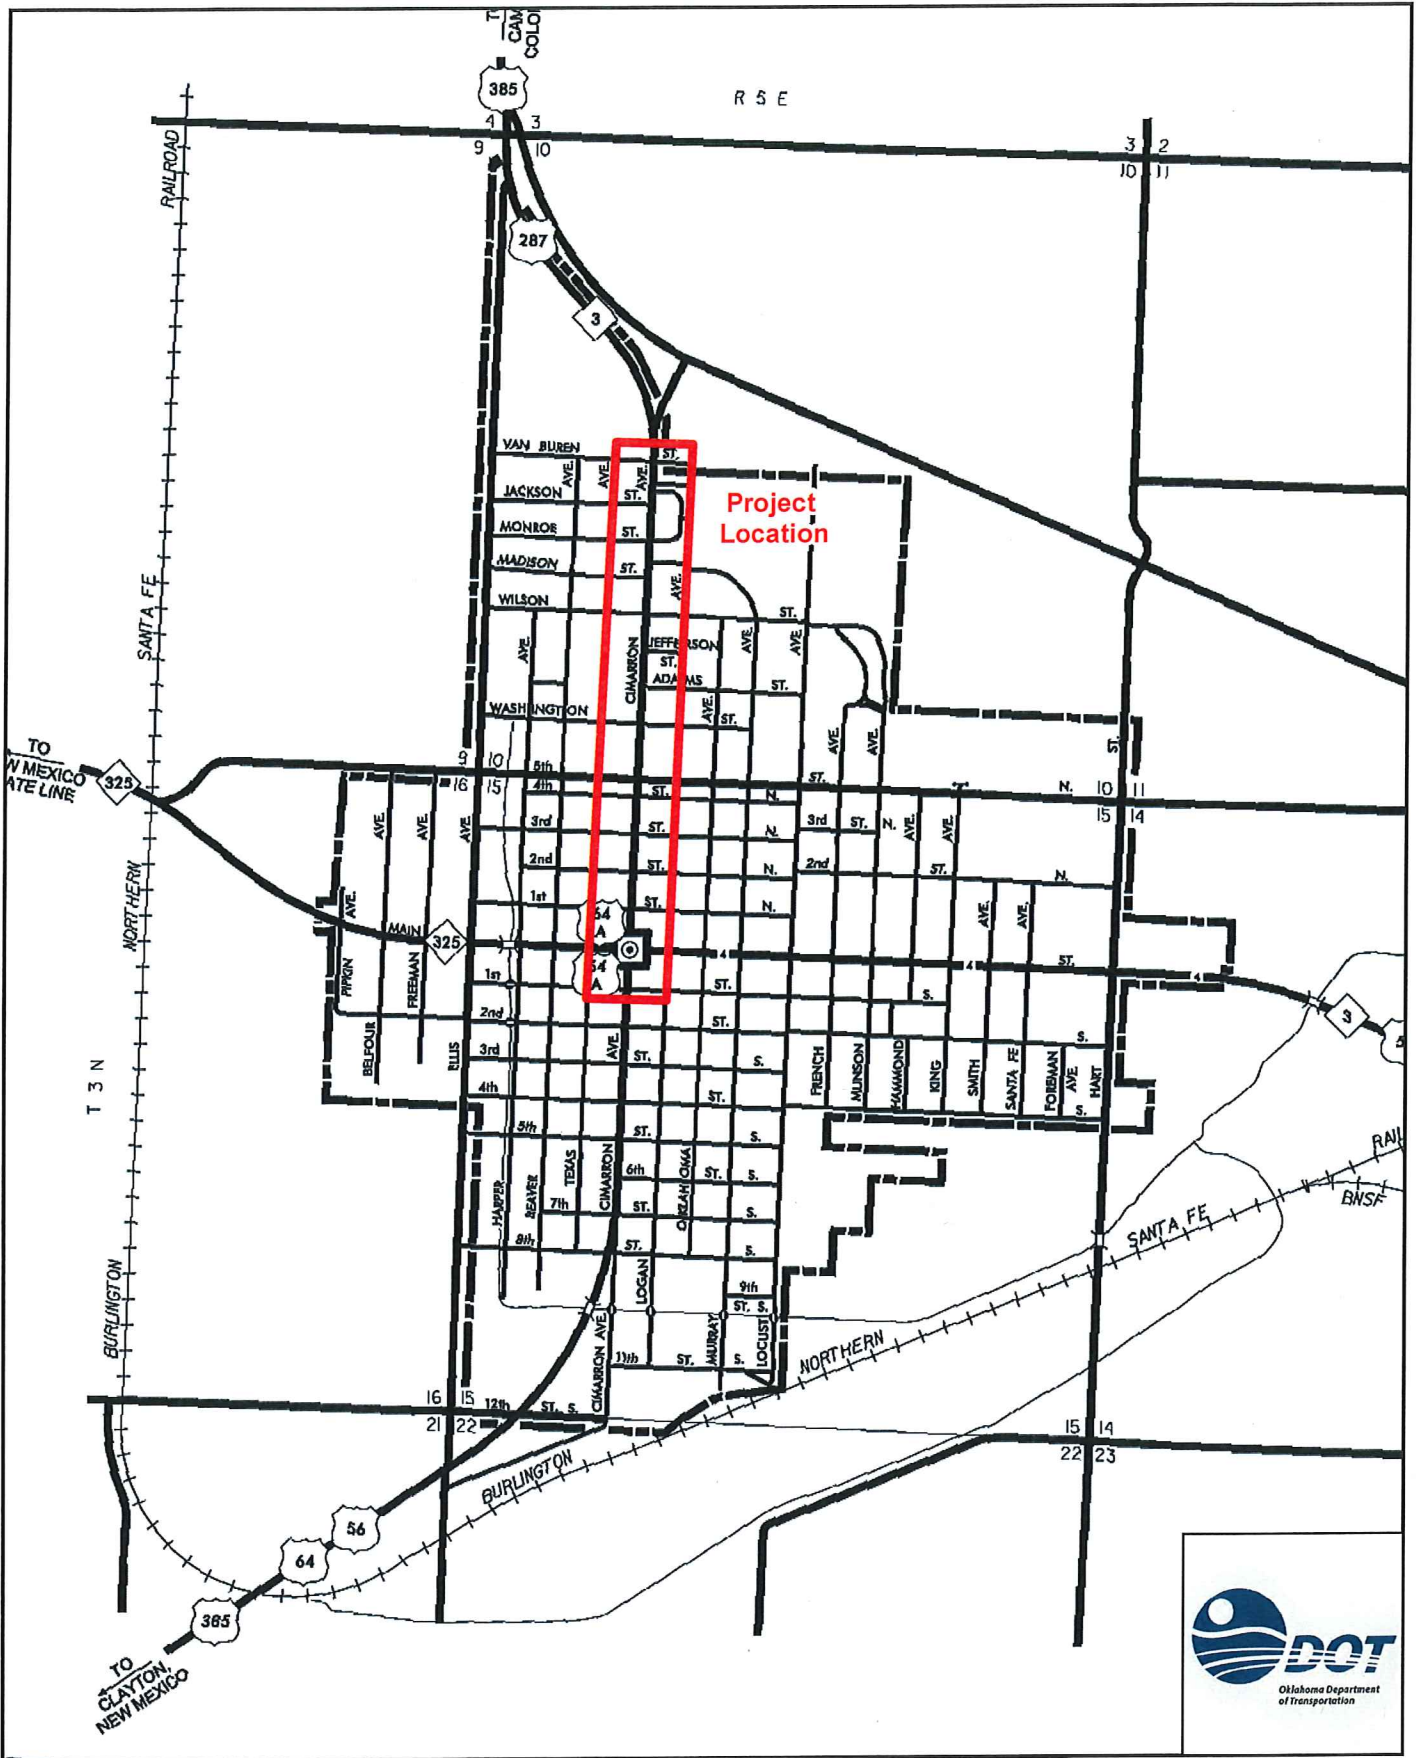

ODOT sincerely appreciates your cooperation in this matter. Should you have any questions regarding the project, please contact the ODOT Division 6 office at 580-735-2561 or environment@odot.org.

The Oklahoma Department of Transportation (ODOT) ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. To request an accommodation please contact the ADA Coordinator at 405-521-4140 or the Oklahoma Relay Service at 1-800-722-0353. If you have any ADA or Title VI questions email ODOT-ada-titlevi@odot.org.
