Dear Mr. Pendley:

Pursuant to Document 3 – Responsibilities of the Parties, Section C, of the April 16, 2004 Agreement between the Oklahoma Department of Transportation (ODOT) and Oklahoma Logos, L.L.C., Oklahoma Logos is required to:

Dear Mr. Pendley:

Pursuant to Document 3 – Responsibilities of the Parties, Section C, of the April 16, 2004 Agreement between the Oklahoma Department of Transportation (ODOT) and Oklahoma Logos, L.L.C., Oklahoma Logos is required to:

Dear Mr. Pendley:

Pursuant to Document 3 – Responsibilities of the Parties, Section C, of the April 16, 2004 Agreement between the Oklahoma Department of Transportation (ODOT) and Oklahoma Logos, L.L.C., Oklahoma Logos is required to:

Dear Ms. Parrish:

Pursuant to Document 3 – Responsibilities of the Parties, Section C, of the April 16, 2004 Agreement between the Oklahoma Department of Transportation (ODOT) and Oklahoma Logos, L.L.C., Oklahoma Logos is required to:

- (c) Date and location (route, direction) of maintenance activities.”

Enclosed are the necessary quarterly reports to satisfy this requirement of the Agreement for the period from July 1 through September 30, 2022.

Bond No. 20BSBGJ8634

PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS,

That, Oklahoma Logos, LLC as Principal, and Hartford Fire Insurance Company, a corporation organized and existing under the laws of the State of Connecticut, as Surety, are held and firmly bound unto State of Oklahoma DOT, as Obligee, in the just and aggregate full sum of One Hundred Thousand Dollars (\$ 100,000.00), to the payment of which sum, well and truly to be made, the said Principal and Surety bind themselves and their respective heirs, administrators, executors, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has entered into a certain written contract with the Obligee, dated _____ which contract is hereby referred to and made a part hereof as fully and to the same extent as if copied at length herein.

NOW, THEREFORE, the condition of this obligation is such that, if the Principal shall faithfully perform as required by the contract, on his part, and shall fully indemnify and save harmless the Obligee from all cost and damage which the Obligee may suffer by reason of failure so to do and shall fully reimburse and repay the Obligee all outlay and expense which the Obligee may incur in making good any such default, then the obligation shall be null and void, otherwise it shall remain in full force and effect.

PROVIDED, however, it shall be a condition precedent to any right of recovery hereunder that, in the event of any default on the part of the Principal, a written statement of the particular facts showing date and nature of such default shall be immediately given by the Obligee to the Surety, and in any event, no later than fifteen (15) days hereafter, and shall be forwarded by registered mail to the Surety at its Branch Office, One Hartford Plaza, Hartford, CT 06155-0001

AND PROVIDED FURTHER, that no action, suit or proceeding, except as hereinafter set forth shall be had or maintained against the Surety on this instrument unless the same be brought or instituted and process served upon the Surety within twelve (12) months after termination of this bond.

AND PROVIDED FURTHER, HOWEVER, that this bond covers only a term beginning April 16, 2023 and ending April 16, 2024 regardless of the number of years the aforesaid contract shall cover or be in force, and not withstanding anything in the aforesaid contract to the contrary. Such term may be continued from year to year by the issuance of a continuation certificate executed by the Surety. If such term is so continued, the liability of the Surety for each successive term shall not be cumulative, but rather, the liability of the Surety shall be limited to the penal amount of this bond for the entire period of time which such bond may be in effect pursuant to such continuation certificates. Failure of Principal to post renewal bond(s) shall not constitute a default under the expiring bond.

AND PROVIDED FURTHER, that by acceptance of the bond, State of Oklahoma DOT, as Obligee, hereby acknowledges the one year term of the bond and the non-cumulative nature of Surety's liability as set forth in the preceding paragraph.

The surety, however, expressly reserves the right to terminate its liability at any time by giving thirty (30) days written notice to the Obligee. It is further understood and agreed that the Surety will provide thirty (30) days notice of renewal prior to the last day of each contract year.

In witness whereof, the said Principal and Surety have signed and sealed this instrument this _____ day of March, 2023
