MEMORANDUM FOR: FEMA Regional Administrators
Regions I – X

ATTENTION: Regional Recovery Division Directors

FROM: Keith Turi
Assistant Administrator
Recovery Directorate 

SUBJECT: Issuance of *FEMA COVID-19 Pandemic: Medical Care Eligible for Public Assistance (Interim) (Version 2)*

The purpose of this memorandum is to issue the attached *FEMA Coronavirus (COVID-19) Pandemic: Medical Care Eligible for Public Assistance (Interim) (Version 2)*. FEMA amended the original version of the policy, published on May 9, 2020, to add provisions for COVID-19 vaccination efforts and add requirements to ensure equitable allocation of COVID-19 resources in accordance with the President's January 21, 2021 [Executive Order on Ensuring an Equitable Pandemic Response and Recovery](#). Except where specifically stated otherwise in this policy, assistance is subject to Public Assistance Program requirements as defined in Version 3.1 of the *Public Assistance Program and Policy Guide*.

This updated policy supersedes the *FEMA COVID-19 Pandemic: Medical Care Costs Eligible for Public Assistance* released on May 9, 2020 and is applicable to all COVID-19 declarations.

If you have any questions about this policy, please have your staff contact Ana Montero, Director, Public Assistance Division, at ana.montero@fema.dhs.gov.
