POTENTIAL OPTIONAL SERVICES

1. Potential Optional Services

- a. Bidders may list potential optional services that they believe based on their expertise and experience would assist the OHCA in meeting the goals stated in the RFP.
- b. The potential optional services may or may not be selected for implementation at any time during the Contract period by the OHCA.
- c. Using the table below, Bidders should briefly list the potential optional services and the price associated with each service. Bidders may add rows to list additional potential optional services (but must remain within the overall page limitations) in the table below:
