

SoonerSelect

Optometry/Ophthalmology

Effective April 1, 2024, reimbursement for optometry and ophthalmology services will be covered by the health and Children’s Special Program contracted entities (CEs), Aetna Better Health of Oklahoma, Oklahoma Complete Health and Humana Healthy Horizons in Oklahoma.

The CEs must adopt the OHCA-established fee schedule and reimburse providers at 100% of the rate(s) through July 1, 2026.

Contracting and Billing

Each CE has contracted with a vision plan to provide vision services to SoonerSelect members. The CE and their contracted vision service provider are as follows:

EyeMed Vision Care, LLC	Aetna Better Health of Oklahoma
Block Vision, Inc. d/b/a Superior Vision BM, Inc.	Humana Healthy Horizons in Oklahoma
Envolve Vision	Oklahoma Complete Health (Health & CSP)

Optometry vision services will be billed and paid through the vision subcontractor. To receive payment for treatment rendered to SoonerSelect members, optometrists must be contracted with the CE, the CE’s vision subcontractor(s) and OHCA.

Ophthalmology services will be billed and paid through the health and CSP CEs. To receive payment for treatment rendered to SoonerSelect members, ophthalmologists must be contracted with the CE(s) and OHCA.

There will be no change in the way services are billed and paid for the members who do NOT move to SoonerSelect and remain SoonerCare members. Please consult with the plans regarding the use of in-house labs.
