Tiered Drug List

The DUR Board will determine medical necessity for drugs covered under the Oklahoma tiered drug list and establish criteria for any prior authorization process. A preferred product, tiered drug list is utilized for certain categories of drugs. Drugs included in Tier One are generally available without additional documentation. A prior authorization process is available for drugs not included in Tier One.

Supplemental Drug Rebate

Pursuant to Section 1927 of the Act, the State has the following policies for Medicaid supplemental rebates:

A model agreement between the State and a drug manufacturer for drugs provided to the Medicaid population, submitted to CMS on January 2, 2004, and entitled "State of Oklahoma, Oklahoma Health Care Authority Supplemental Rebate Agreement" and subsequent revisions have been authorized by CMS.

Supplemental rebates received by the State in excess of those required under the national rebate agreement will be shared with CMS on the same percentage basis as applied under the national rebate agreement.

Drugs of manufacturers who do not participate in the supplemental rebate program will still be available to Medicaid recipients.

Beginning January 1, 2017, Oklahoma became part of the Sovereign States Drug Consortium (SSDC). SSDC negotiates supplemental rebates for Oklahoma. The State retains all options to accept or reject offers. Drugs of manufacturers who do not participate in the supplemental rebate program will still be available to Medicaid recipients. The updated SSDC rebate agreement between the State and participating manufacturers for drugs provided to the Medicaid program, submitted to CMS on ~~April 4, 2022~~ **July 28, 2023**, supersedes the SSDC rebate agreement approved in OK SPA ~~18-08 22-0010~~. CMS has authorized the updated agreement. The updated agreement applies to drugs dispensed effective January 1, ~~2023~~ **2024**.

Products for which a signed Medicaid State Supplemental Rebate Agreement is on file will have preferred status. This status may be reflected in the product's placement in lower tiers of the Tiered Drug List, inclusion on a Preferred Drug List, or by removing a prior authorization requirement from the product.

The State may enter into value-based contracts with manufacturers on a voluntary basis. These contracts will be executed on the model agreement entitled "Value-Based Supplemental Rebate Agreement" submitted to CMS on November 4, 2019 and authorized for use beginning January 1, 2020.
