**Re: Psychological Services**

Dear Provider,

This letter is to inform you that, effective July 1, 2021, psychological services furnished by independent psychologists are now covered by SoonerCare for adults. This coverage allows practitioners who meet requirements outlined in Oklahoma Administrative Code 317:30-5-275 to provide services to eligible adult SoonerCare members.

This coverage is currently authorized by a federally approved Disaster Relief State Plan Amendment. The Oklahoma Health Care Authority will update administrative rules accordingly through the rulemaking process in the coming months.

Services must be prior authorized by the Oklahoma Department of Mental Health and Substance Abuse Services, utilizing the prior authorization portal at [www.odmhsas.org/arc.htm](http://www.odmhsas.org/arc.htm). Current fee schedules for independent psychologists are also available on this website, under "billing Information." For assistance with billing, you may email [gethelp@odmhsas.org](mailto:gethelp@odmhsas.org).

If you have any questions, please call OHCA at 1-800-522-0114.

Thank you for the services you provide to our SoonerCare members.

Sincerely,

Melody Anthony  
Chief Operating Officer/State Medicaid Director
