RE: Coverage for Services Provided by Mobile Dental Units

Dear Provider,

The Oklahoma Health Care Authority (OHCA) is pleased to announce that on Nov. 4, 2022, we expanded coverage and services provided through mobile dental clinics.

Through this policy change mobile dental units can provide urgent, preventive, and restorative dental services to all SoonerCare members. Mobile dental units should strive to serve members in SoonerCare dental provider shortage areas which are defined as Oklahoma counties that have less than ten (10) licensed general providers. Any dental group providing services as a mobile dental unit must be contracted with the OHCA as a dental group provider and as a mobile dental treatment facility.

The current dental rules found at Oklahoma Administrative Code (OAC) Title 317, Part 79, apply to all mobile dental services including but not limited to prior authorizations, medical necessity criteria, documentation, and limitations.

If you have questions concerning mobile dental unit coverage, please contact the OHCA dental unit at 405-522-7401.

If you have questions regarding the contracting process, please email provider enrollment at Providerenrollment@okhca.org or call 800-522-0114, option 5.

Thank you for your continued support and the services you provide to SoonerCare members.

Sincerely,

Traylor Rains
State Medicaid Director
