- Adults began applying for SoonerCare on June 1, 2021.
- Benefits for newly eligible SoonerCare adults began July 1, 2021.
- **Note:** Insure Oklahoma Individual Plan and SoonerPlan members that qualify for expansion have been reprocessed by OHCA into adult SoonerCare. Any applications that were denied within the last 90 days were reprocessed for expansion.

# ADULT SC EXPANSION BENEFITS

Expansion adults receive full-scope SoonerCare benefits. This is important to highlight for individuals who may have previously only had SoonerPlan or Insure Oklahoma as they now may have a richer benefit package.

- A benefit comparison guide is available on OHCA's public website [here](#).
  - Adult SoonerCare benefits mirror the benefits available to SoonerCare traditional members ages 21 and over.

# ADULT SC EXPANSION BENEFITS

Adult SoonerCare benefits include:

- Physician services, including preventive services
- Inpatient and outpatient hospital services
- Emergency transportation services and ambulance
- Non-emergency transportation services (SoonerRide)
- Mental health and substance abuse services
- Limited dental services
- Pharmacy services that include six covered prescriptions per month
- Durable medical equipment (DME) services that cover items such as oxygen equipment and supplies, wheelchairs, walkers and hospital beds.

**PROVIDING SERVICES  
FOR ADULT  
SOONERCARE  
EXPANSION MEMBERS**

# PROVIDING SERVICES

Adult SoonerCare expansion members will be enrolled in a **fee-for-service** program called *Healthy Adult Program*.

Although adult SoonerCare expansion falls under Title XIX, when checking eligibility using the secure provider portal for those members, providers may not see *Title XIX*. Rather, providers should look for ***Expansion Healthy Adult Program*** as the program of coverage.

\*There are SoonerCare adults that are not part of the expansion population. These members will continue to display *Title XIX* coverage when checking eligibility.
