1 Web Basics

1.1 Overview

Fundamental instructions for the SoonerCare Provider Portal usage are listed below. Understanding basic usage of website elements will help users make the most of the SoonerCare Provider Portal. Windows Internet Explorer versions 6, 7 or 8 must be used.

1.2 Terms to Know

- **Address Field**—Characters entered in this field make up an address specific to a web page or screen, as it is also referred to. For example, entering www.okhca.org in this field and pressing the enter key displays the OHCA homepage.

- **Left click**—The action of clicking the left button on the mouse to activate a function.
- **Cursor tool**—This is the cursor icon , which mimics movement of the mouse to select page elements.
- **Menu Bar**—Links within each tab, when accessed, display the related screen. To access a topic, place the cursor tool on the desired menu bar option and left click the selection. This displays the screen.

- **Drop-down Menu**—Some menu bar selections have a sub-section of menu choices. To display a screen, move the cursor tool to the desired selection and left click.

- **Field**—To enter information here , place the Cursor tool on the field and left click. Start typing when cursor appears in the field.
- **Drop-down List**—Left click the down arrow to display selections. Choose by moving Cursor tool on the desired selection and left click. The field auto-populates with that selection.

- **Help Icon**—Click the help icon  to receive information on the window currently being viewed. The Help icon is located in the right corner of each screen containing a grey header.
- **Expand Icon**—Click the plus icon  to expand sections on claims and authorizations
- **Informational Icon**—Hold the cursor tool over the  for more information on how a field should be entered (i.e., MM/DD/CCYY format, three-character minimum).
- **Check Box**—Place the cursor tool on the box and left click so a check mark populates the box.
- **Button**—Place the Cursor tool on the button  and click to activate the function.
- **Copy/Remove Links**—The Copy and Remove links [Copy](#) | [Remove](#) allow the user to copy service details on authorizations and remove details on both claims and authorizations.
- **Predictive Text**—Some fields such as Diagnosis Code and Procedure Code have predictive text enabled. Use the Informational icon to determine how many characters are needed to begin enabling predictive text.
- **Breadcrumb**—A breadcrumb is a navigation aid used to show where the page is located in the website hierarchy. It provides a link to the previous page the user navigated to. Select the link to return to the desired page.

[Claims](#) > [Submit Claim Prof](#) > [Submit Claim Prof 2](#) > Submit Claim Prof 3
- **Magnifying Glass**—The magnifying glass  is a search function that allows the provider to search for other providers if the NPI is unknown.

10. Click **Confirm** to complete the request.
11. Click **Cancel** to exit the clerk creation process.

Once the request has been completed, an informational message appears with a system-generated clerk code. This code is needed for the clerk to register.

There are two statuses for clerks when the profile is completed:

- **Active**—The clerk has fully registered using the Register Now link and has full access to the SoonerCare Provider Portal.
- **Active Pending**—The clerk profile has been created but the clerk has not yet registered using the Register Now link and does not have access to the SoonerCare Provider Portal.

No Billing Agents are assigned.

Follow these steps to add a registered billing agent.

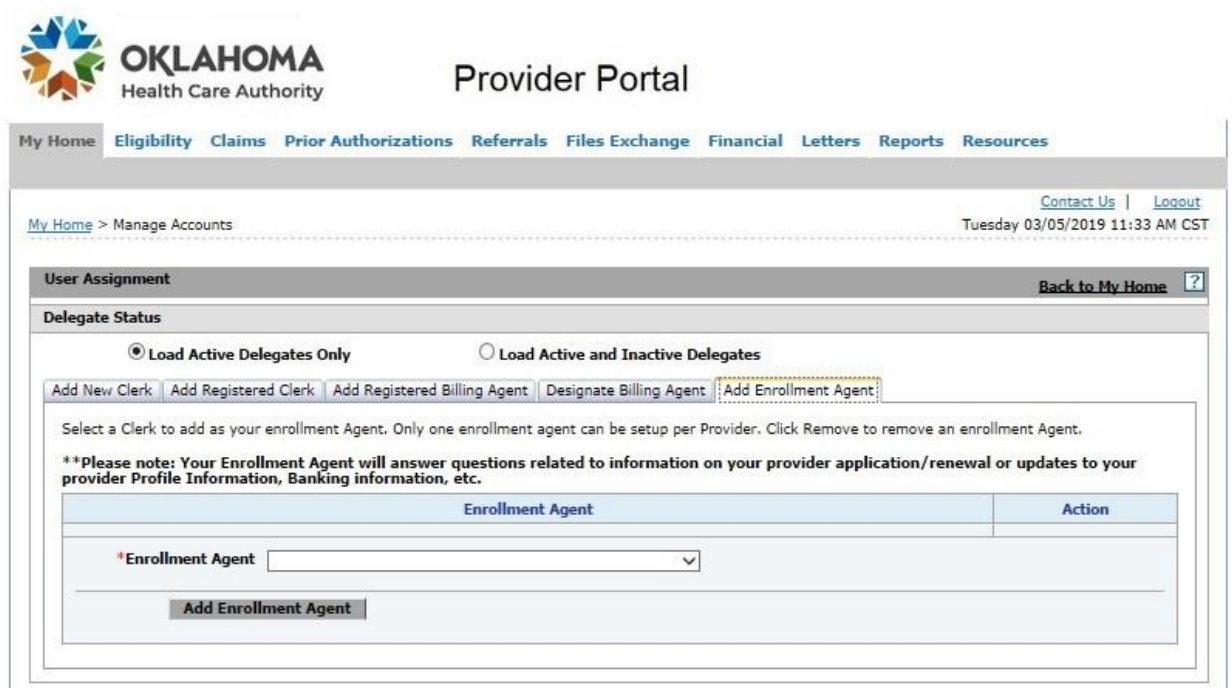

Note: You must be logged on at the Provider level.

1. Login as the provider and select the Manage Accounts link from the Provider main page.
2. Select the Add Registered Billing Agent tab.
3. Enter the billing agent's display name in the Display Name field.

4. Enter the billing agent’s agent code in the Agent Code field. If the agent code is unknown, the agent code is located in My Profile-Role Qualifiers from the billing agent user account.
5. Select the Functions check boxes to be added to the clerk’s access.
6. Click **Submit**.
7. Click **Confirm**.

If a billing agent no longer needs access to your provider account or functions need be added/removed, access can be revised. Follow the steps listed in section 2.9, Revising Access of a Clerk, select the Add Registered Billing Agent tab and select the Agent Code.

2.12 Adding an Enrollment Agent

Follow these steps to add an enrollment agent.

Note: You must be logged on at the Provider level.

1. Log in as the provider and select the Manage Accounts link from the Provider main page.
2. Select the “Add Enrollment Agent” Tab.
3. Select the enrollment agent from the Enrollment Agent dropdown list.
4. Click **Add Enrollment Agent**.
5. Select the Remove link to remove an enrollment agent.

6. If an enrollment agent becomes inactive, then “The agent is no longer active. Please remove and add a new Enrollment agent” message displays next to the Enrollment Agent’s Name

Note: If the number of enrollment agents that can be assigned to a provider reaches the limit set in Provider portal database, then the Enrollment Agent dropdown list will not be displayed. If an Enrollment agent is removed then the dropdown list displays to allow adding new enrollment agents.

2.13 Switch Provider

The screenshot shows a web application window titled "Switch Provider". It contains a search section with two input fields: "Display Name" and "Email". Below these fields are "Search" and "Reset" buttons. A section titled "Available Providers" contains a table with three rows of provider information. At the bottom of the window are "Submit" and "Close" buttons.

#	Display Name ▲	Email Address
1	<input type="radio"/> meself	battlc@eds.com
2	<input type="radio"/> vmphys1	okhca@okhca.org
3	<input type="radio"/> vmPOSTEST	needvalidemail@invalidemail.com

The Switch Provider screen allows the user to select the provider he or she wishes to operate as. Follow these steps to switch providers.

1. Select the Switch Provider tab. There is a list of providers linked to the user displays in the Available Providers list on the Switch Provider tab submenu.
2. Select the radio button of the display name to switch to from the Display Name column.
3. Click **Submit**.
4. Click **OK** from the Switch Provider Confirmation window. The Selected Provider tab displays the current information you are working under.
5. Click **Close**. The Provider main page displays.
6. Select the Switch Provider tab to switch to a different provider.
7. Select the Switch Provider tab submenu to display a list of available providers to switch to.

2.14 Self-Authentication

If a user forgets the portal password, he or she can still gain access to the SoonerCare Provider Portal through the self-authentication process. The self-authentication process requires users to change their passwords.

2.14.1 Forgot Password

Forgot Password ?

* Indicates a required field.

Answer the following challenge question. We will use the answer to help authenticate your identity. If we find a match, an email will be sent to your email address on record.

Challenge Question What is the name of a college you applied to but didn't attend?

*Your Answer

Submit **Cancel**

All users who have forgotten their password must be able to answer a challenge question set up during the registration process. Validation of the challenge question sends a message to the email on file with a temporary password. Each user is prompted to select a new password when they next attempt to log in.

Follow these steps to Level 1 self-authentication:

1. Navigate to the SoonerCare Provider Portal.
2. Enter the user ID.
3. Click **Log In**.
4. Enter the challenge question answer.
5. Click **Continue**.
6. Select the Forgot Password? link.
7. Answer the challenge question.
8. Click **Submit**.

Once the answer to the challenge question is verified, a message is sent to the email on record with a temporary password.

2.14.2 Forgot User ID?

The image shows three sequential screenshots of the 'Forgot User ID' form. Each form has a title bar with a question mark icon and a note: '* Indicates a required field. Enter the following account information. We will use these values to help identify your account. If we find a match, an email will be sent to your email address on record.' Below the note are 'Submit' and 'Cancel' buttons.

- First Screenshot:** User Type is 'Provider Billing Agents'. Fields include *Trading Partner ID and *PIN.
- Second Screenshot:** User Type is 'Provider Clerks'. Fields include *First Name, *Last Name, *Birth Date (with a calendar icon), *Last 4 of DLN, and *Clerk Code.
- Third Screenshot:** User Type is 'Providers'. Fields include *SC Provider Number, *Service Location, and *PIN.

Users who have forgotten their user ID, need to provide user-specific information when the account was initialized.

Follow these steps to obtain a forgotten user ID:

1. Navigate to the SoonerCare Provider Portal log on screen.
2. Select the Forgot User ID? link on the non-secure menu to navigate to the self-authentication pages.
3. Select the appropriate user type from the drop-down list as follows:
 - **Provider Billing Agents**—Enter the trading partner ID and PIN.
 - **Provider Clerks**—Enter the first and last name, birth date, last four of DLN, and clerk code.
 - **Provider**—Enter the SC provider number, service location, and PIN.
4. Click **Submit**.

Once the information has been validated, a message is sent to the email on file with the user ID.

3 General SoonerCare Provider Portal Elements

3.1 Overview

This section describes the general portal elements and how to use those elements. The following elements are covered:

- Third Party Access to Receive 835 Remittance Advice
- Global Messages
- Eligibility Inquiry
- Pricing

3.2 Allow Third Party to Receive 835 Remittance Advice

Follow these steps to allow a third party (billing agent or other provider) to receive 835 Remittance Advice on their behalf.

Note: If a third party is authorized to receive electronic remittance advice (835) on a provider’s behalf, that provider will no longer receive a remittance advice (via paper or electronically) directly from OHCA. For more information on designating a thirty party to receive 835 files, call the EDI Help Desk at (405) 416-6801 or (800) 522-0114 *option 2, 2*.

1. Log in as the provider and select the Manage Accounts link from the Provider main page.
2. Select the type of transaction from the Transaction Type drop-down list.
3. Select the billing agent from the Billing Agent drop-down list.
4. Click **Designate to Receive**.
5. Select the Remove link to remove transaction types.

Note: If all transactions are added to a billing agent, the Transaction Type drop-down list is disabled. If a Transaction Type is removed, the transaction displays in the Transaction Type drop-down list.

3.3 Broadcast Messages

Global messages are an easy, secure way for OHCA to inform providers of the latest news, changes or upcoming events.

After logging in, all new global messages display. Select this checkbox after reading each message: Please acknowledge receipt of message by checking this box. Use the scroll bar to read all messages.

3.4 Eligibility Inquiry

Eligibility Verification Request

* Indicates a required field.
Enter the patient information. If neither Member ID nor Case Number is known, enter SSN and/or Name, and Date of Birth.

Member ID Case Number SSN

Last Name First Name Date of Birth

*From Date of Service *To Date of Service

Submit Reset

Follow these steps to inquire on a member's eligibility.

1. Select the Eligibility tab.
2. Select the Eligibility Verification link.
3. Enter search criteria to verify eligibility. The field options are Member ID, Case Number, SSN, First and Last Name, Date of Birth, and Dates of Service.

Note: Each option requires that a date-of-service (DOS) range of up to 13 months also be entered. The Calendar option to the right of each date field may be used for a fast selection of the date.

4. Click **Submit**.

Status A indicates the electronic request for eligibility was accepted by Oklahoma Medicaid and does not reflect the eligibility of the member. The eligibility and benefit programs for the member appear below the status.

5. Select a member ID from the search results to view eligibility details.
6. To print the eligibility results, click **Print Preview**. A new window appears, and you can print the eligibility details.

Follow these steps to add third party liability (TPL) to a member's eligibility.

1. Follow steps 1-5 in section 3.4, Eligibility Inquiry.
2. Click **[+]** to expand the TPL header.
3. Enter the name of the carrier in the Carrier Name field.
4. Enter the carrier ID in the Carrier ID field.

5. Enter the policy number in the Policy Number field.
6. Enter the group ID in the Group ID field.
7. Select the Person or Organization radio button from the Policy Holder field.
8. Enter the policy holder’s first name, last name, and middle initial in the Policy Holder Last Name First Name and MI fields (if you selected the Person radio button), or enter the policy holder’s organization in the Policy Holder Organization field (is you selected the Organization radio button).
9. Select the policy type from the Policy Type drop-down list.
10. Select the coverage type from the Coverage Type drop-down list.
11. Select the relationship from the Relationship drop-down list.
12. Enter the employer ID in the Employer ID field.
13. Enter the effective and end dates in the Effective and End Date fields.
14. Enter the Rx-BIN and Rx-PCN
15. Click **Add**.

5 Prior Authorization

5.1 Overview

This section describes prior authorization requests on the SoonerCare Provider Portal.

Submitting a prior authorization request on the SoonerCare Provider Portal allows for the automatic generation of a prior authorization tracking number. Coversheets are generated automatically and pre-populated when Transmission Method-Fax and Transmission Method-Mail are selected. The HCA-12A and HCA13A are still required for consideration of PA requests. This generated PA number is added to the HCA-13A coversheet.

5.2 Prior Authorization (PA) Submission

Create Authorization ?

* Indicates a required field.

Medical **Dental**

When you submit this PA, you are certifying that the PA is medically necessary and correctly submitted in accordance with SoonerCare rules and is for a SoonerCare covered device or service. You acknowledge that this PA may be subject to a post-payment review and/or that OHCA may recoup improper payments if OHCA finds that this PA was inappropriately submitted or OHCA has determined the PA to be medically unnecessary. You also acknowledge that approval of this PA does not guarantee payment.

10 Member Focus Viewing

10.1 Overview

This section describes the member focus viewing on the SoonerCare Provider Portal.

Member Focus Viewing on the SoonerCare Provider Portal allows for the user to view recent authorizations, claims, and eligibility for the member. It also allows the user to create claims and authorizations, as well as check eligibility—all in one page. Any claims or authorizations submitted from Member Focus Viewing auto-populates the member ID, name, and birth date.

10.2 Search Member to View

The screenshot shows a web form titled "Member Focus Search". At the top, there are two tabs: "Last Members Viewed" and "Search". Below the tabs, there is a legend: "* Indicates a required field." and "Enter the Member ID or Last Name, First Name and Birth Date." The form contains several input fields: "Member ID", "Last Name", "First Name", "Birth Date" (with a calendar icon), "City", and "ZIP Code" (with a location pin icon). At the bottom of the form, there are two buttons: "Search" and "Reset".

Starting on the Provider main page, select the Member Focus Viewing link under Provider Services. The Last Member Viewed tab displays the last 10 members the user has viewed, submitted claims on, or submitted authorizations on. If the member is not seen on the list, select the Search tab.

1. Enter a member ID in the Member ID field; all other fields may remain blank.
2. Enter a last name in the Last Name field. (Must also include information in the First Name and Birth Date fields.)
3. Enter a first name in the First Name field. (Must also include information in the Last Name and Birth Date fields.)
4. Enter a birth date in the Birth Date field. (Must also include information in the Last Name and First Name fields.)
5. Enter a city in the City field.
6. Enter a Zip code in the Zip Code field.
7. Click **Search**.
8. Select the member name from the Member column.
