OHCA hosts 13th annual dental event at Riverside Indian Boarding School

Anadarko – An annual dental evaluation and health screening event co-sponsored by the Oklahoma Health Care Authority at the Riverside Indian Boarding School recently helped 563 students get dental exams and supplies.

The OHCA was joined by the Oklahoma State Department of Health, Indian Health Services, the American Heart Association, Colgate Palmolive, Southern Plains Tribal Health Board, and Blue Cross and Blue Shield of Oklahoma to sponsor the 13th annual event on Aug. 23.

"We are thankful for the many partners who helped with this event and the continued growth which ultimately improves the health of the Riverside students," said OHCA CEO Kevin Corbett.

Students received onsite dental evaluations, eye screenings, behavioral health screenings, and body mass index (BMI) measurements. They also received information discussing the effects of using tobacco on their teeth, gums and body. Students learned how to achieve and maintain good oral health. Any follow up care needed for the students was coordinated by the Indian Health Services.

OHCA staff extends appreciation to Colgate-Palmolive who donated toothbrushes and toothpaste and all partners who provide education and supplies to promote healthy living.
