## Flu Vaccine Coverage

- Flu vaccines are available to members age 19 and older through both the SoonerCare prescription drug benefit and the medical benefit.
- Flu vaccines are not covered through the prescription drug benefit for members age 18 and younger. These members should receive the vaccine at a physician's office through the federal Vaccines for Children Program.
- Flu vaccines administered by pharmacies do not count against a member's monthly prescription limit.
- Pharmacies administering flu vaccines will be reimbursed the allowable cost of the vaccine and the standard prescription dispensing fee. Additional administration fees are not compensable.
